COURTNEY MCQUEENEY PHOTOGRAPHY

**Bold & Dynamic
Senior Portraits**

Hello! i'm Courtney

I'm a fun-loving photographer and truly LOVE my senior sessions. I'm here for YOU and to help celebrate this momentous milestone! Our time together is not just showing up and posing for the camera. I want the entire experience with me to be unique, fun, and all about you.

Before our session even begins, I get to know you and your personality through a customized questionnaire. This helps me choose a perfect location and personalize your experience. I will guide you through your entire portrait session, from styling to poses and prompts. My goal is for an overall fun, relaxed session so you love your portraits and your experience.
