Dear Friend,

Be an Autism Walk For A Difference Sponsor

POAC's Autism Walk For A Difference is back and better than ever. We have 6 great locations this year and each one has a resource fair. The walks draw thousands of families and professionals who enjoy a great day of support, awareness, and fun.

I am asking that you consider becoming a walk sponsor at one or more of these events. Autism Walk For A Difference sponsorship is a great way to show your support and to get the word out about your company or organization's goods and/or services. You can enjoy the benefits of sponsorship for as little as \$250. Every sponsor gets a table at the resource fair and company name or logo on our walk tee shirts. POAC Agency Members get a free table at all the resource fairs.

Help Save the Life of a Child

There are so many reasons to support POAC. Each year POAC provides free recreational events to children and adults with autism and their families. POAC also provides training to parents, educators, and police and first responders. The police and first responder training, Autism Shield, has been directly credited with saving the lives of children all over New Jersey. POAC is receiving more and more requests for this program every day. Your support of Walk For A Difference will help continue to fund this and all of POAC's free programs.

I am enclosing information about walk sponsorship. Feel free to call me with any questions.

Sincerely,

Simone Tellini
