

General Information

As a newly hired employee, you are eligible to participate in the Vita Flexible Spending Account (FSA) plan. You have 30 days from the date you satisfy Fremont Union High School District's eligibility requirement to enroll in either the Health FSA or the Dependent Care FSA.

Both the Health FSA and Dependent Care FSA plans allow you to reduce your salary to pay for certain eligible health-related and dependent care expenses on a pre-tax basis. Once you incur an eligible expense, you may submit the claim to Vita with complete documentation and you will be reimbursed for the expense from your available account balance on a tax-free basis.

Health Flexible Spending Account

This account is used for medically necessary health care expenses *not* fully reimbursed by an insurance plan or any other source.

You can claim expenses incurred by you, your spouse or any of your eligible dependents (*regardless of whether you or your dependents are covered under the medical plan offered by your employer*).

Dependent Care Flexible Spending Account

This account allows you to pay for out-of-pocket, work-related day care costs for your eligible dependents.

Who Qualifies as a Dependent?

- A child under the age of 13 whom you support.
- A spouse or dependent (age 13 or older) who is physically or mentally unable to provide for his or her own care.

*Please see reverse side for guidelines on common eligible and ineligible expenses. For more complete information, please visit help.vitacompanies.com or call the Vita Concierge at (650) 966-1492 or (800) 424-3052.

Election Information

How to Make an Election for 2022

Online via Ease

- Go to <https://fea.ease.com>
- Contact your HR representative for instructions on how to complete your enrollment.
- Complete enrollment within 30 days of satisfying Fremont Union High School District's eligibility requirement.

Additional Information

Health FSA Rollover If you do not incur sufficient expenses to exhaust your entire Health FSA election, you will be eligible to roll over your balance to the following year, up to 20% of the Federal Maximum for 2022 elections. If your Health FSA balance after the claim submission deadline is greater than the allowed rollover limit, the amount in excess of the limit will still be forfeited under the "Use It or Lose It" rule.

Claim Submission Methods Vita FSA claims may be incurred and/or submitted using any of the following methods:

- Debit Card
- Online
- Fax
- Mobile App
- Email
- US Mail

Reimbursement Options All Vita FSA reimbursements are issued either via direct deposit or a paper check. All claims received and approved by Tuesday of each week will be deposited into your personal bank account the following Friday. If a personal bank account is not provided, a paper check will be mailed to your home address instead.

Payroll Contributions Your Vita FSA election will be divided by the total number of remaining payroll dates in the year to determine your per paycheck deduction amount. Each pay period you will have the same amount deducted from your paycheck until the full election amount is reached.

Documentation of Expenses

The IRS requires third party documentation to substantiate all health claims.

Do not include expenses that cannot be appropriately documented in your election amount, as they cannot be reimbursed. For specific requirements, see the Vita Flex Claim Instructions handout or visit our website at help.vitacompanies.com.
