

CASE: Curriculum for Agricultural Science Education

Discover the science of agriculture, plants, natural resources, and environmental science to improve the quality and safety of food, cultivating and preserving our natural resources, and issues impacting our environment.

- **10th Grade:** Agriculture, Foods, and Natural Resources (1 credit)
- **11th Grade:** Natural Resources and Ecology (1 credit)
Environmental Science Issues (1 credit)
- **12th Grade:** Agriculture Research Development (1 credit)

Applications Re-Opening!

Opens: Thursday, May 26 at 8:00 a.m. **Closes:** Monday, June 6 at 11:59 p.m.

Both the student and parent/guardian must be current residents of Charles County and the student must be currently enrolled (SY 2021-22) as an eighth-grader in Charles County Public Schools, private schooled or homeschooled.

Students accepted into either program enroll at Maurice J. McDonough High School for grades 9—12. Transportation provided.

Maurice J. McDonough High School
Thursday, June 2 from 5:30 p.m.—6:30 p.m.

Dance Program

The Dance Program provides a well-rounded, comprehensive dance education that develops the student as an artist through opportunities to create, respond, and connect dance to personal and global experiences. Dance styles will include, but not be limited to, ballet, jazz and contemporary dance.

- **No formal dance** instruction is required to audition.
- When applying, a 30 second video that best showcases your talent must be submitted. This can be original choreography.
- **Informational meeting:** Thursday, June 2, 6:30 p.m.—McDonough High School Auditorium
- **Audition date:** Saturday, June 11, 2022 at 9:00 a.m.
