Authorization to Purchase Dishwashers from TriMark Hockenbergs for Food Services

DATE: May 13, 2022

Overview

Staff recommend purchasing three (3) Hobart brand dishwashers from vendor TriMark Hockenbergs in the amount of \$115,607, which includes a 3% contingency for unforeseen circumstances.

The new dishwashers would be utilized by Food Services and installed by the vendor at the following schools: Shawnee Mission North High School, Rising Star Elementary School, and Sunflower Elementary School. The expense includes all installation costs, including any needed plumbing and electrical work, as well as removal of the existing dishwashers that will be replaced at those sites.

This expense would be funded from the Food Service Fund.

An invitation to bid for Hobart brand dishwashers (or equivalent) was publicly issued on May 13, 2022. The District received bids from six (6) vendors. After evaluating proposed alternative brands, staff recommend purchasing from TriMark Hockenbergs, the lowest responsible bidder for Hobart brand dishwashers.
