

CJMS PAC meeting minutes 11/3/16

Members present:

Mary Hampton  
Ilze Thompson  
Chelli Miessner  
Laurie Sullivan  
Joanne Iszler  
Carrie Samsel  
Lori VanVleet  
Heather Frisk  
Jill Chase  
Lydia Trom  
Ann Hossner  
Lucy Coley  
Lora Crites

Joanne approved minutes from last meeting. Mary seconded approval.

**Invest in your Child IIYC:** So far have raised approximately \$5300  
Joanne has taken over this fundraiser.

Ideas to get the word out:

- Handout flyers to parents,
- Have video playing on laptop during conferences
- Posters are coming (one with thermometer)
- Lydia will make 2
- December 31 is the deadline to raise money for IIYC; PAC will cover the remaining amount left to cover 1st cart

Lora read financial report

Income for October \$3000 toward IIYC

Fun Night 2016 profit \$439

Donate.ly processing fee so far has been \$251

Current balance of PAC is \$27,484

Lori Van Fleet discussed Adopt a Family, Rotary adopts a family as well. Hoops for the Holidays. She said they have very good coverage from other groups so PAC doesn't need to feel like they have to take this on this year. PAC decided not to take it on this year.

**February 7 - Screenagers Film** This is a fundraiser that PAC can take on. The film is about teens and screens, produced by pediatricians. Excellent reviews. Could host it at the Wilson during the week for \$16/hour. Dates available are: Feb 6,7, 8 or 13,15,16, 17. \$600 – 3 hours

PAC decided not to do the Christmas Angel this year. Focus could go instead to raise money for the trail. Lucy Coley approved this motion. Lora Crites seconded it.

Instead of Christmas Angel Mary will send out a letter to each teacher asking them for a wish list and this will be on a sign-up genius for parents to donate or buy things as they see fit. Carrie Samsel will help organize this.

Lucy Coley mentioned Ms. Hughes' request to organize a Fun Run through PAC

Ann Hostner from Bozeman Schools Foundation spoke about their fundraisers and what the money goes toward. It covers scholarships for students for continuing education (1,000 toward a worthy student, character and Merit based), and also Spark grants for teachers (up to 3,000). There are also Apple Awards for teachers. One of their fundraisers that is coming up is the Santa Run for Education on December 3. They also have a ping pong tournament later in the winter and an adult spelling bee in the spring.

Discussed some ideas for the next Fun Night: 1) Have someone assigned to be a "runner" so if we run out of something or need something from the store, we aren't pulling someone off of an activity. 2)Decided to make pizza \$2/slice next time. All other items would be the same cost. Lydia Trom approved this motion. Lora Crites seconded the motion.

Lynn Sieger asked PAC to put out a Sign-up Genius to feed teachers for December 8th conferences (for 60 people). We decided it would be a soup/chili feed. There should also be a veggie tray sign up and possibly bread. Lucy will send this out.

December 1st will be next PAC meeting
