**WELLNESS POLICY / NUTRIENT STANDARDS FOR  
MEALS AND OTHER FOODS**

The Board of Education recognizes child and adolescent obesity has become a major health concern in the United States. The Healthy, Hunger Free Kids Act of 2010 (HHFKA), funds child nutrition programs and establishes required nutrition standards for school lunch and breakfast programs. In accordance with the requirements of the HHFKA each school in the district shall implement this Wellness Policy that includes goals for nutrition promotion, nutrition education, physical activity, and other school-based activities that promote student wellness.

**A. Wellness Policy Goals**

The goals as outlined below shall apply to each school in the district:

1. Goals for Nutrition Promotion – The following activities will be coordinated in each school in the district:
  - a. Age-appropriate posters will be posted on the walls where food and beverages are served to students highlighting and encouraging the values of good nutrition.
  - b. The school lunch program will have promotional days during the school year where at least one new nutritional alternative menu item will be featured as part of the menu pattern meal component. The food service staff members will promote this nutritional alternative during meal service with posters, flyers, and/or hand-outs regarding the nutritional menu item alternative.
  - c. The Principal or designee will encourage food products that meet the nutrition standards of the HHFKA when used as an incentive or reward for student accomplishments, club or activity achievements, and/or success in competitions within the school.
  - d. Food service staff, in consultation with the Principal or designee, will coordinate obtaining student input on menu planning that will include taste testing of new nutritional food, satisfaction surveys, and other activities that will promote nutrition awareness.
  - e. Food service staff will place the healthier food items in the service line where students are more likely to choose them.
  - f. Parents will be provided the nutritional standards of the HHFKA and encourage

- parents to pack lunches and snacks that meet the HHHFKA nutritional standards.
2. Goals for Nutrition Education – The following activities will be coordinated in each school in the district:
    - a. The Principal will ensure each student receives at least one presentation per school year that promotes good nutrition and nutrition education. The presentations may be provided through classroom visits from school staff members trained in nutrition, school-wide or group assembly programs, during health/physical education classes during the school year, or any other presentation manner. This requirement may be provided as part of nutrition education provided to students as part of the district's curriculum.
    - b. The principal or school designee will post the nutritional guidelines of the HHHFKA in the area of the school building where food and beverages are served.
    - c. The school lunch menu will include nutritional information, activities, recipes, and/or any other information that encourages the selection healthy food items.
  3. Goals for Physical Activity
    - a. The following activities will be coordinated in each elementary school in the district:
      1. All students shall receive health/physical education under the supervision of a properly certified teaching staff member as required by the New Jersey Department of Education
      2. The principal or designee will ensure there is age-appropriate equipment and supplies available during recess time for students to participate in physical activities
      3. Students will be encouraged by school staff members supervising student recess time to participate in some type of physical activity, which may include, but not be limited to: walking; playing games that require physical activity such as kickball, volleyball, baseball, basketball, etc., rope jumping, and/or using playground equipment.
      4. The principal will encourage classroom teachers to incorporate brief, physical activity breaks into the school day to establish an environment that promotes regular physical activity throughout the school day.
      5. The principal or designee will coordinate special events that highlight physical activity, which may include field days, walk-a-thons, and activity tournaments or competitions. The principal or designee may involve parents, community members, and students in the planning of these events.
    - b. The following activities will be coordinated in each middle school in the district:

5. Annual School Progress Report

- a. The goals for nutrition promotion, nutrition education, physical activity, and other school-based activities that promote student wellness shall be evaluated annually by the principal or designee of each school and the school's Wellness Committee in an Annual School Progress Report provided by the Superintendent of Schools before June 30.
- b. The Annual School Progress Report shall present the extent to which each school is in compliance with this Policy, the progress made in attaining the goals of this Policy, any recommended changes to this Policy, and an action plan for the following school year to achieve the school's annual goals and objectives.

6. Annual District Summary Progress Report

- a. Upon receiving the Annual School Progress Report from each school, the Superintendent or designee will compile an Annual District Summary Progress Report to be presented to the Board of Education at a public meeting before the beginning of the school year. The public will be provided an opportunity to review and comment on the Annual District Summary Progress Report at the Board Meeting.
- b. Revisions to this Policy will be recommended by the Superintendent or designee to be approved by the Board of Education before September 30 of each year.

7. Additional Wellness Policy Goals

- a. Nothing in this Policy shall prevent an individual school in the district from developing and implementing additional activities, approved by the Superintendent or designee, to those required in this policy.

B. Nutrition Guidelines for All Foods and Beverages

1. The Board of Education requires each school in the district to comply with the Federal school meal nutrition standards and the smart snacks in accordance with the requirements of the HHFKA. The nutritional standards shall apply to all foods and beverages sold in each school in the district as part of the menu pattern meal, a la carte, in school stores, snack bars, or vending machines. The food requirements for any food sold in schools must meet a range of calorie and nutritional requirements as outlined in the HHFKA.
2. The school district will comply with the HHFKA beverage requirements and beverage portion requirements for elementary, middle and secondary schools. Each school will make potable water available to children at no charge in the place where breakfast, lunch, and afterschool snacks are served during meal service.
3. On-campus fundraisers involving food or beverage items must meet the Smart Snack Standards of the HHFKA. The nutrition standards of the HHFKA do not apply to non-school hours, weekends, and off-campus fundraising events. The United States
