

Order and Pay for Meals with MySchoolBucks

Ordering Meals

- Go to <https://www.myschoolbucks.com/ver2/login/getlogin>
 - If you already have an account sign in as you usually would
 - If you are a new user and click [Sign-Up Today](#)
- Once you are logged in click on School Store in the upper right corner:

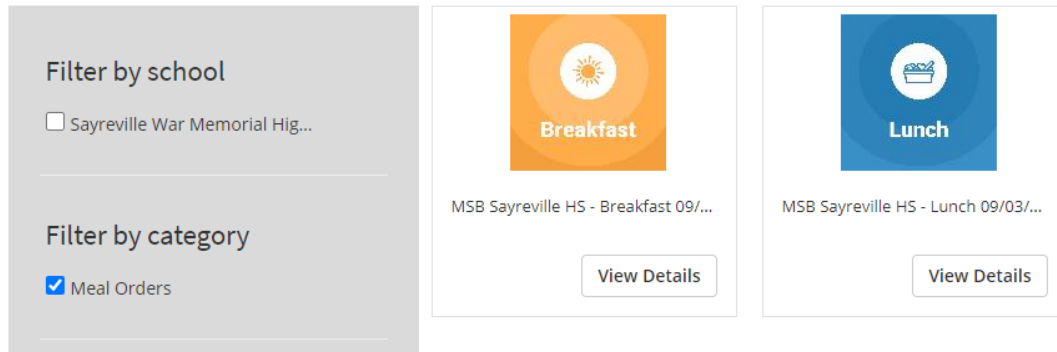

- Then Click on Meal Orders

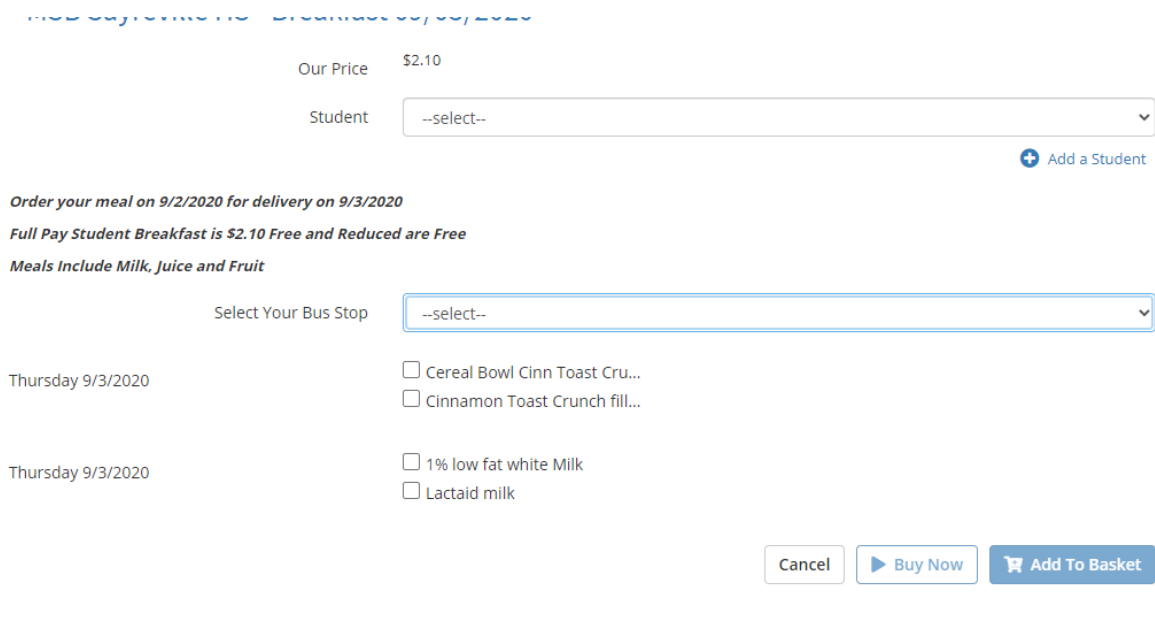

- There will be a separate menu for breakfast and lunch for each school that your children attend. For example, if you have a student at the High

School, Middle School and Arleth you will see breakfast and lunch menus for each location.

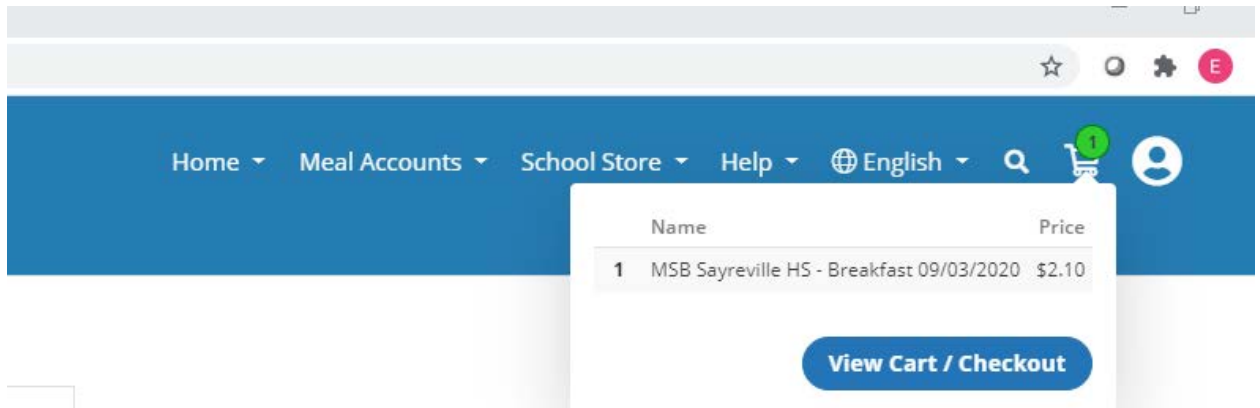

- Click on either Breakfast or Lunch and the new screen will give you a drop down menu to select your student, a drop down to pick your bus stop and then options to select your students' meal of choice. After you've made your selections click on Add to Basket

- If you are then also requesting the other meal (Breakfast or Lunch) complete this same process with the other menu.
- If you have another student that you are requesting meals please complete the same process for the other student.

- Once you have made all of your selections click on your shopping cart to “check out” and complete your orders.
