Click Next and then enter your Password. Same Password you use from your chromebook.

At the next screen it will ask if you would like to 'Stay signed in?' Select **Yes** 

You may see the following screen, choose your account:

Once you sign in, you will be routed directly to your ClassLink LaunchPad page.

If you get logged out of ClassLink due to inactivity, or you Sign Out, the tab will default to the below screen.

Login again using the 'Sign in with Microsoft' button.

If you have trouble logging into Classlink at the ClassLink LaunchPad Page (above) there is a help icon at the top of the screen:

You can also paste this link into a google browser to get to ClassLink:
