COMMUNITY EVENTS

Breakfast on the Farm The Brown County Dairy Promotions Committee is looking for volunteers for our annual Breakfast on the Farm event. This year's event will be held on Sunday June 5 at Brickstead Dairy at 1734 Wayside Rd, Greenleaf, WI 54126. There are multiple volunteer shifts available throughout the weekend of the event. You can learn more about the event at: <https://www.browncountydairypromotions.com/events>

Volunteers who are a part of a group/organization are eligible to receive compensation for volunteering their time. Groups and organizations can receive \$10/member for each shift worked. For example, if one volunteer works two shifts, the organization they are a part of would receive \$20 for that volunteer's time (2 shifts X \$10/shift). Another example, if three volunteers work one shift, the organization would receive \$30 for their time (3 shifts X \$10/shift). There is not a limit on the amount of funds a group/organization can receive for their time volunteering.

Volunteer sign up is first come first served. We recommend signing up early to guarantee your group can work together at the event. Here is the volunteer sign up form:
