Dr. Miller presented the following reports to the Board:

- a. SPLOST
- b. Transportation
- c. Student Health Services
- d. Technology
- e. Food Service Report
- f. Plant Operations
- g. Student Enrollment: 6416

On motion by Frank Griffin, second by Louis Hatcher, the Board unanimously approved the revised SPLOST resolution referendum. The revision is the addition of "paying previously incurred general obligation debt" to the ballot question.

Mr. Hatcher thanked Dr. Clay for bringing up the idea of inserting the language in the SPLOST referendum relating to the potential use of funds for bond indebtedness, but took issue with removing the gymnasium as a potential project for the upcoming SPLOST firms. He stated LCHS gym is vastly undersized, is not sufficient to meet the needs of a Class AAAAAA school, makes scheduling of practices problematic for our students, and does not allow for school assemblies. In addition, the system will soon have 14 basketball teams trying to share 6 gyms. He acknowledged we may not ultimately have the funds to build the gym, the track, or the tennis courts, but we should include

those in the referendum, because it is a travesty that a school system our size has no track, no tennis courts, and an undersized gym.

On motion by Louis Hatcher, second by Claire Lang, the Board unanimously approved a request from Capt. Schuette, NJROTC instructor, the transport the rifle team to Civilian Marksmanship Program facilities in Anniston, Alabama for the Navy National Championship on February 12-14, 2016.

The Board recognized the pottery on display from Lee County Elementary School and the new artwork displayed on the wall.

Mr. Griffin announced Lee County Elementary archery team will compete at state in March.

Lee County High School will compete in and host the Region 1-AAAAAA Basketball Tournament beginning Tuesday, February 9th girls at 6 p.m. against Valdosta and Boys at 7:30 p.m. against Lowndes.

On motion by Claire Lang, second by Louis Hatcher, the meeting was adjourned.
