INTRODUCTORY STATEMENT

The Employee Handbook has been prepared for administrators. The provisions described herein are the terms and conditions governing employment in the North Scott Community School District ([“District”](#)) and compliance with them is required.

This Employee Handbook is a collection of selected employment policies and administrative guidelines, as well as rules and regulations of the District. It has been prepared to acquaint all administrators with the policies and administrative guidelines, rules, and regulations that govern their employment in the District, and to provide for the orderly and efficient operation of the District.

It is each administrator’s responsibility to read and become familiar with this information and to comply with the policies adopted by the Board and/or the administrative guidelines promulgated by the District Administrator that are available electronically on the District website, as well as the rules and regulations contained herein.

If you have questions regarding any of the board policies and/or District administrator’s administrative guidelines, and/or the rules or regulations set forth in this handbook, or about matters, which are not covered, please direct them to the superintendent.

DISCLAIMER STATEMENT

This Employee Handbook has been prepared for informational purposes only. None of the statements, policies and administrative guidelines, rules, or regulations contained herein constitutes a guarantee of employment, a guarantee of any other right or benefit, or a contract of employment, express or implied. The District’s administrators employed under individual contracts with the Board may be terminated or non-renewed consistent with the terms of the contract and consistent with Board Policy and state law.

Furthermore, any administrator who violates any of the terms and conditions of employment set forth in this employee handbook may be subject to disciplinary action in accordance with:

[Board Policy #404.1R1 – Employee Code of Conduct and Progressive Discipline](#)

CHAIN OF COMMAND – ORGANIZATIONAL CHART

The chain of command is the formal line of authority, communication, and responsibility within the District.

[Board Policy #309 – Authority and Communication Channels](#)

PURPOSE

The primary goal is the development and operation of an educational program of the highest quality for the benefit of students and the community.

II. EMPLOYMENT

EQUAL EMPLOYMENT OPPORTUNITY

The Board of Education does not discriminate in the employment of administrative staff on the basis of any characteristic protected under State or Federal law including, but not limited to: race, color, age, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in Iowa law), sexual orientation, national origin, ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, or declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters or any other characteristic protected by law in its employment practices.

If the employee has questions regarding Equal Employment Opportunity or how to file a complaint regarding equal employment, s(he) should refer to:

[Board Policy #401.2 - Equal Employment Opportunity](#)

ANTI-HARASSMENT POLICY

The Board of Education is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

For purposes of anti-harassment, "school District community" means individuals subject to the control and supervision of the Board including, but not limited to, student, teachers, staff, volunteers, and Board members. "Third party" means individuals outside the school District community who participate in school activities and events authorized by the Board including, but not limited to, visiting speakers, participants on opposing athletic teams, and vendors doing business with, or seeking to do business with, the District.

Harassment consists of unwelcome conduct, whether verbal, physical, or visual, that is based on a person's protected status, such as sex, color, race, ancestry, creed, religion, genetic information, national origin, age, handicap, disability, marital status, veteran status, citizenship status, sexual orientation, arrest record, conviction record, or other protected group status, which affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment

may occur employee-to-employee, student-to-employee, male-to-female, female-to-male, male-to-male, or female-to-female.

The District administrator has prepared written administrative guidelines for administrative staff members to follow when reporting alleged harassment. The process that will be followed when conducting an investigation regarding alleged harassment that is prohibited is also set forth in these administrative guidelines.

[Board Policy #401.2.1 - Employee Anti-Harassment](#)

JOB DESCRIPTIONS

The Board of Education recognizes that it is essential for administrative staff member accountability and that each administrative staff member is fully aware of the duties and responsibilities of his/her position. Job descriptions document and describe the essential functions for administrative staff positions and thereby promote organizational effectiveness and efficiency.

For more information regarding job descriptions, administrative staff members shall refer to Job Descriptions Manual. Further, if a copy of a job description is required or desired, the administrative staff member shall go to the Central Office and request a duplicate copy.

CONFLICT OF INTEREST

Administrative staff members are expected to maintain high standards of honesty, integrity, impartiality, and administrative conduct. Further, administrative staff members are expected to perform their duties in a manner free from conflict of interest.

[Board Policy #401.3- General Personnel Conflict of Interest](#)

OUTSIDE ACTIVITIES OF STAFF

It is imperative that administrative staff members avoid situations in which their personal interests, activities, and associations may conflict with the interests of the District. If an administrative staff member is involved in an activity that threatens that staff member's effectiveness within the school system, the District Administrator shall evaluate the impact of such interest, activity, or association upon the administrative staff member's responsibilities.

For more information regarding the Board's expectations concerning interests, activities or associations that may conflict with the interests of the District, administrative staff members should review the following:

[Board Policy #401.3 - General Personnel Conflict of Interest](#)

COMMUNICATIONS AND SUGGESTIONS

The District values the comments and suggestions of its employees concerning work methods and operations. Employees should follow the chain-of-command when offering a suggestion or comment.

Administrative staff members should refer to the detailed procedure regarding communication set forth in:

[Board Policy #401.7 - General Personnel Relations to Administration and to the Board](#)

[Board Policy #401.8 - General Personnel Involvement in Decision Making](#)

POLITICAL ACTIVITIES

Political activities that do not contribute to a positive learning climate may be disruptive, divisive and distracting. Therefore, the Board has concluded that such activities are not appropriate within the school setting. It is the intention of the Board of Education to regulate such activities on all Board owned or used property, within all [District](#) buildings and at all [District](#) -sponsored activities.

[Board Policy #401.14 - General Personnel Political Activity](#)

[Board Policy #603.4 - Multicultural and Gender Fair Education](#)

[Board Policy #603.9 - Academic Freedom](#)

REPORTING SUSPECTED CHILD ABUSE AND NEGLECT

Iowa law requires District administrative personnel to report all suspected incidents of child abuse and/or neglect to the Iowa Department of Human Services, law enforcement or other legal authorities. Because the Board of Education is concerned with the welfare of all children, it recognizes the legal and ethical obligations to report suspected abuse or neglect and expects District staff to act in accordance with all appropriate Iowa statutes.

All District administrative employees are required to report suspected abuse or neglect when there is "reasonable cause" to suspect abuse or neglect has or will occur. Anyone who, in good faith, participates in the making of a report pursuant to the legal mandate shall in so doing be immune from any liability, civil or criminal, that might otherwise be imposed. State law also protects employees from being discharged from employment as a direct result of such a report.

The Board of Education supports a preventative approach to child abuse and neglect. Administrative staff are required by law to be trained in child abuse and dependent adult reporting.

Further information, guidelines and requirements relating to the District's child abuse and neglect reporting policy can be found on the District website and are set forth in:

[Board Policy #402.2 - Reporting Child Abuse by a Caretaker](#)
