

WELCOME TO REUNION – SOON!! - JUNE 3-5

Here is some information to pique your interest and help you plan your time.

Our dorm home will be McAfee (still called a “new dorm”), and we will share it with the classes of ’57 and ’47. The whole Tower Court complex is closed for renovations, Stone-Davis is being used for student summer housing, and the College Club is closed (it has been the College Covid headquarters), thus the need to share space. The College is going paperless, so there will be no printed handouts; if you like paper, you might print this schedule and other materials to bring with you. The College app for your phone also gives the schedule, plus all the faculty lectures and tours, bus schedules, parking areas, etc. For those of you who cannot be on campus, we are offering a Zoom option (we hope!!) using this link (which we will re-send): <https://mtholyoke.zoom.us/j/96899992526>
