

BOZEMAN SCHOOLS FOUNDATION.

SCHOOL SUPPLY PROGRAM

Avoid shopping from store-to-store, standing in lines, and deciphering each teacher's requirements. Due to the success of home delivery last year, we have again opted to have the kits sent directly to your home. Furthermore, when you buy a school supply kit through the Bozeman Schools Foundation, \$5 from each kit benefits the Foundation and your school's PAC. Back-to-school just became more rewarding!
