Gym shoes should be athletic shoes that fit securely on the child's foot with laces or Velcro. Loose slip-ons, skateboard shoes, fashion sneakers, sandals or Crocs are not safe. Supportive athletic shoes with cushioning soles protect your child's feet when active on hard surfaces. The shoes do **not** need to be new, just clean. **These are a must with the hardwood floor in the gym. **These items will be shared.**
If assistance is needed in purchasing these supplies, please contact Libby Hansen, our Parent Liaison @ 587-3840.
