VOCATIONAL EDUCATION AND TRAINING AT ALL SAINTS' COLLEGE

Nothing is more exciting than learning from someone who shares the same passions as you do. Whether you're looking to move straight into the work force or take an initial step in your tertiary education, an Australian VET qualification can take you where you want to go.

VET teaching staff are not just industry-aware, but have actual experience in their fields of expertise - maintaining the currency of their knowledge, and modifying their courses to reflect the changing industry focus and needs. And that means you learn not only the theory, but also the reality of the subjects you are studying

All Saints' College offers several on-campus, Australian Skills Quality Authority (ASQA) approved Certificates, under an Auspice arrangement with a number of Registered Training Organisations (RTO's).

ASQA promotes quality training so that students, employers, and industry have confidence in Australia's training sector. As such, Industry has created a number of Training Packages that reflect the skills and knowledge that employers expect from their employees. Nationally, only a Registered Training Organisation (RTO) that may be either government or privately owned can conduct nationally Recognised Training (NRT).

Schools that deliver Certificates on campus must have an Auspice relationship with an RTO and Certificate IV Training and Assessor qualified teachers with recognised and approved current industry knowledge, delivering the Certificates. The Auspice RTO ensures that the NRT delivered by schools is according to industry standards and meets ASQA requirements.

At ASC we will be offering the following ASQA approved qualifications in 2023:

- **10949NAT Certificate II in Applied Language (French Context)**
- **CUA20220 Certificate II in Creative Industries**
- **SIT20316 Certificate II in Hospitality**
- **SIS20319 Certificate II in Sport Coaching**
- **BSB20120 Certificate II in Workplace Skills (Business)**
- **10661NAT Certificate III in Applied Language (French Context)**
- **BSB30120 Certificate III in Business**
- **SIT30516 Certificate III in Events**
- **CUA31020 Certificate III in Screen and Media**

The Certificates will be available to Year 10, 11 and 12 students with in some cases the Certificate II needing to be completed before embarking on the Certificate III. Listed Units of Competency are subject to change.

NB: Although the above on-campus offerings will be offered in 2023, Gateway Pathway students will still be encouraged to apply for off campus Certificates that best reflect their post-school career pathways plans. These qualifications may be offered by both North and South Metropolitan TAFE or other Privately Registered Training organisations. Information on Qualifications available can be found on the Gateway page on MyASC; please click on the VETDSS Tab. Gateway pathway students may also select from the on-campus offerings on the proviso their WACE requirements are addressed.

VET AND THE WACE

WHAT IS VET?

Vocational Education and Training (VET) provides you with skills and knowledge to perform effectively in the workplace. A VET qualification prepares you for, or in some instances qualifies you to do, a specific job. VET can contribute directly to your career goals no matter what your destination is. It all counts in some way at different points in your career.

WHY WOULD I CHOOSE VET?

- VET offers many pathways towards your career and vocation aspirations
- VET is nationally recognised which means you can take it anywhere in Australia
- VET contributes significantly towards your Western Australian Certificate of Education (WACE).

TRAINING PATHWAYS

A VET qualification provides you with essential skills which are transferable across multiple employment and education pathways. You will find information in the post-secondary pathways brochures.

VET AND THE WASSA

Completed qualifications recorded as part of your secondary studies are listed on the Western Australian Statement of Student Achievement (WASSA) along with individual units of competency achieved.

HOW DOES VET CONTRIBUTE TOWARDS THE WACE?

VET can contribute towards the WACE as VET credit transfer OR as a VET industry specific course which combines a VET qualification with industry relevant workplace learning. Visit <http://senior-secondary.scsa.wa.edu.au/vet/how-vet-contributes-towards-wace>

VET completed as a VET industry specific course gains course unit credit plus unit equivalence for the endorsed program ADWPL. Visit <http://senior-secondary.scsa.wa.edu.au/vet/vet-industry-specific>

TRAINING PATHWAYS

A VET qualification provides you with essential skills which are transferable across multiple employment and education pathways.

USI AND THE WACE

For VET to contribute towards the WACE you need to have been issued with a Unique Student Identifier (USI) and have it added to your student record. Speak to your school's VET coordinator or visit <https://www.usi.gov.au>

WHAT IS A TRAINING PACKAGE?

A training package is a set of nationally endorsed standards and qualifications for recognising and assessing skills and knowledge in a specific industry, job sector or enterprise.

WHAT IS AN ACCREDITED COURSE?

An accredited course is one that is developed to meet training needs not addressed by existing training packages. See the VET infographic at <http://senior-secondary.scsa.wa.edu.au/vet/all-about-vet>

DO ACCREDITED COURSES CONTRIBUTE TO THE WACE?

In many cases accredited courses provide the same credit towards the WACE as training package qualifications.

Download the Accredited Course Recognition Status List <http://senior-secondary.scsa.wa.edu.au/vet/wace-recognition-of-vet-accredited-courses>

WHAT IF I DON'T GET MY WACE?

VET that is achieved once you are no longer at school may be used towards meeting WACE requirements. Visit <http://senior-secondary.scsa.wa.edu.au/certification/wace-after-year-12>

VET AWARDS

The School Curriculum and Standards Authority recognises student excellence in VET through the annual VET Awards for students who have completed a combination of VET and workplace learning by the end of Year 12. Visit <http://senior-secondary.scsa.wa.edu.au/certification/exhibitions-and-awards> Awards for Outstanding Achievement in VET.

Other Learning for Senior Secondary Students

An endorsed program is a significant learning program that has been developed by a school, community organisation or private provider, and endorsed by the School Curriculum and Standards Authority (Authority) for students in Years 10, 11 and 12.

These programs offer a range of activities not covered by traditional school courses or vocational education and training.

They include extra-curricular learning and workplace learning.

WACE Recognition

Achievement of endorsed programs can contribute to the Western Australian Certificate of Education (WACE) requirements and will be reported on the student's Western Australian Statement of Student Achievement (WASSA).

Flexible Delivery

Endorsed programs can be delivered in or out of school by schools or private providers such as community organisations, training institutions, universities or workplaces.

Evidence of Learning

Some programs provide a statement of attainment, qualification, academic transcript, certificate or award as evidence of learning. Other programs require the student to create a portfolio of evidence to demonstrate what the student has learnt.

Examples of Endorsed Programs

- Workplace Learning
- Community Service
- Cadets WA (e.g. Air Force, Army, Navy, Police Rangers, Emergency Services and Bush Rangers)
- Surf Life Saving WA certificates and awards
- Music and Speech and Drama examinations (e.g. Australian Music Examinations Board, Trinity College London)
- Information Technology programs (e.g. Cisco, Certiport)
- Service clubs (e.g. Leos, Interact)
- Diver certificates (e.g. PADI, Scuba Schools International)
- Awards WA Inc.
- Off-campus enrichment programs (e.g. international maths or science competitions, intercultural exchange programs, Premier's ANZAC tour)
- University enabling programs

To view the complete list of endorsed programs, go to <https://senior-secondary.scsa.wa.edu.au/syllabus-and-support-materials/endorsed-programs>.

Selecting Programs

Schools may offer students endorsed programs selected from the list on the Authority website. Detailed information about each endorsed program is also provided on the website.

Schools can also advise the Authority of student achievement in endorsed programs undertaken outside of school. It may be possible for this achievement to contribute to the student's WACE and be reported on their WASSA.

While most programs can be undertaken by any Year 10, 11 or 12 student, some have been endorsed for a specific group of students, school or education network.

Students participating in endorsed programs outside of school should discuss this with their school.
