CORE VALUES

Students learn much more than academics at Sacajawea; life-long core values that lead to success are taught, encouraged, reinforced, and celebrated. Each month, the Falcon Friday Award recognizes students who consistently demonstrate the core value of that month. The following attributes have been recognized as core values:

Respect	Curiosity	Responsibility
Compassion	Generosity	Growth
Humility	Falcon Four	Grit

DISCIPLINE

Students must exhibit responsibility to themselves and others while being assured a physically and psychologically safe environment. A major responsibility in educating children is to define, instruct, and enforce positive behavior. All consequences will be administered in a caring manner where the child's dignity and self-worth is protected while inappropriate behavior is addressed. School rules are determined by school/district policies and state law. Please see *Appendix B* for further details on the SMS Discipline Policy; full information is available on the school website.

REPORT CARDS & STANDARDS BASED GRADING

Report cards will be available online through Powerschool. If you would like to request a printed report card be sent to you, please inform the front office. Scores at the 12-week assessment periods will be recorded; six-week scores will be considered midterms for classes that meet all year. Students and families are encouraged to stay informed of current levels of learning by checking PowerSchool regularly. (Ref Policy #2420) *STANDARDS BASED GRADING (more information is available on the district website, school website, and at the office)*

Beginning in the fall of the 2018/19 school year, both middle schools transitioned to a standards based system of grading and reporting. Scores are provided to indicate where a student is in his or her learning relative to a specific learning objective (proficiency level). Separate scores are reported to communicate the behaviors--or attributes--of a successful learner (ie. perseverance or organization separate from math or reading ability).

Proficiency levels are used to indicate the current level of learning in a given class or subject. A numeric value is used to indicate the current evidence of student understanding and application of the significant standards of that subject. The goal for all students is to master concepts and skills—identified at proficiency level 3.

Academic Score Descriptors

Proficiency Level to Date	Descriptor	Actionable Language
3	Proficient	<u>Mastery of standards.</u> The student demonstrates mastery of concepts and skills. Performance is characterized by the consistent ability to apply skills and strategies with accuracy, quality, and independence. A level of “3” is the goal for students to achieve.
2.5	-----	The student is showing significant progress toward the mastery of concepts and skills but has not yet reached it. Performance is becoming more consistent and higher quality, but student still requires support.
2	Developing	<u>Developing an understanding of standards.</u> The student is making progress in concepts and skills. Performance is characterized by the ability to apply skills and strategies with varied consistency, quality, and support.
1	Emerging	<u>Acquiring a basic understanding of standards.</u> The student is beginning to understand basic concepts and demonstrate basic skills. Performance is inconsistent and application of skills and strategies needs considerable support and guidance.

Other Scores		
4	Advanced	<u>Exceeds mastery of standards.</u> The student independently and consistently demonstrates advanced understanding of course standards. Performance is characterized by higher level thinking and application of skills in rigorous and complex situations. In some cases a “4” may not be an available level.
3.5	---	Has mastered all previous skills/concepts, and is progressing to the next level of learning.
1	Insufficient Evidence	Little or no evidence has been demonstrated.

Attributes of a Successful Learner

Many skills are necessary for success in school and that further support academic learning. The Attributes of a Successful Learner are often prerequisites for achievement in college or career. The attributes have been separated from the academic reporting in each class to allow for accurate report on learning as well as to provide meaningful feedback on the development of each attribute. The following attributes have been identified as significant for success at the middle school and beyond:

- **Organization**
Prioritizes, sets goals anticipating needs and hurdles, properly manages time and meets deadlines.
- **Engagement**
Listens actively, participates and contributes, works well collaboratively and independently.
- **Perseverance**
Sustains a high level of effort through difficult concepts; demonstrates persistence in pursuit of excellence.
- **Universal Expectations**
Actively involved in a way that is safe, responsible, respectful, positive and kind.

Attribute Score Descriptors

Proficiency Level to Date	Descriptor	Actionable Language
---------------------------	------------	---------------------

3	Proficient	The student demonstrates this attribute. She or he rarely requires any prompting and often models this attribute for others.
2.5	-----	<i>All of Developing and significant effort towards improving this attribute is apparent.</i>
2	Developing	The student sometimes demonstrates this attribute and requires frequent reminders and support from the teacher.
1	Emerging	The student seldom demonstrates this attribute and requires constant reminders and support from the teacher.

Other Scores		
4	Advanced	The student always demonstrates this attribute without prompting, and encourages/helps others to do the same
3.5	---	<i>All of Proficient and significant effort towards improving this attribute is apparent.</i>
1	Insufficient Evidence	No effort by the student is observed in demonstrating this attribute.

SAFETY RULES

Drop Off/Pick up

When picking students up for appointments, arriving late, or leaving early, park in the front oval lot. Before and after school, students should be dropped off and picked up in the north parking lot or front oval.

Fire or Evacuation Drill - When the fire alarm goes off, everyone must leave the building in a quick and orderly manner. Learn which exit to use during each period of the school day. The off-site evacuation location is Morning Star School.

Bus Students - Stand well away from the curb until the bus is completely stopped. The school bus is an extension of the classroom: school rules apply while riding the buses.

Medication - School nurse: 522-6057

Bozeman Public Schools policy requires medications be given at home whenever possible. An individualized healthcare plan must be established indicating the necessity for long-term medication during school hours. Under no circumstance should school personnel provide aspirin or over the counter medications. (Ref. Policy #3416)

Medical Disclaimer - Should there be a need for medical treatment, parents are responsible for all medical expenses. For a reasonable cost, there is medical coverage available through Northwestern Scholastic Insurers. Application forms are available through the district school offices and athletic departments.

SMS SPIRIT

School Colors.....Silver and Carolina Blue
 School Mascot.....Falcon

SICK ROOM

If you become ill during the school day, get a pass from your teacher and report to the attendance office. Students should check in at the receptionist desk. Students may stay in the sick room for one period and/or until parent/guardian arrives.

TEXTBOOKS

At the beginning of some of your classes, your teacher will issue you a textbook. You are responsible for this book for the rest of the school year. The wear and tear brought about by daily use is expected; however, unreasonable damage will result in fines. If you lose a book, you will be expected to pay for it.

VIDEO SURVEILLANCE

The Board authorizes the use of video cameras on District property to ensure the health, welfare and safety of all staff, students, and visitors to District property and to safeguard District buildings, grounds, and equipment. The Superintendent will approve appropriate locations for video cameras. The Superintendent will notify staff and students, through staff and student handbooks or by other means, that video surveillance may occur on District property. (Policy 3235)

VISITORS

Students are requested to not invite visitors to attend school as they tend to distract from the learning in the classrooms and present potential safety concerns. Exceptions are occasionally made based on previous attendance at SMS or to share valuable information with students. All exceptions must be arranged with the principal prior to the visit.

ADDENDUM

Attendance Expectations (Ref. 3122P)

We value student attendance in our classes, whether in-person or remotely. We also recognize and support the need for students to remain home if they are from a vulnerable population or if they or a household member are demonstrating symptoms or if they have been asked to quarantine. **Students should not attend in-person classes if they are feeling ill.** If students are unable to attend their classes and/or participate in all synchronous activities, the family is expected to communicate with the school to excuse the absence. The District asks that families and students be responsible, self-monitor, and keep track of daily contacts. Based on recommendation from the Gallatin City-County Health Department and the CDC, a close contact is considered an individual who has had close contact of 6 feet or less for 15 minutes or more.

All expectations regarding absences and make-up work not related to Covid 19 remain the same.

K-5:

100% remote learning students must contact their remote learning teacher if they are unable to participate in synchronous activities.

6-12:

100% remote learning students must contact the attendance line of their school if they are unable to participate in synchronous activities.

Quarantine Absence (C19Q) and Covid 19 Absence (C19) - Students who are absent due to Covid 19 illness or who are in quarantine must notify the attendance office or, in the case of a K-5 100% remote learning student, must notify their remote learning teachers. Student work that is missed due to Covid 19 will be made up in cooperation with the teacher(s) so that essential standards are met. For a quarantine absence, students will be required to utilize the on-line platform to remain engaged in their course load. Quarantined students will be expected to participate in synchronous learning opportunities made available by the teacher.

Documentation

When appropriate/necessary, administration may require medical documentation.

Tardies and Absences

As a school community, we will be forgiving and flexible with absences and tardies as they pertain to the challenges of this current situation.

APPENDICES

APPENDIX A

STUDENT DRESS GUIDELINES

Bozeman Middle Schools

The appearance of any young person is primarily the responsibility of that individual and his/her parents/guardians. Student appearance should reflect a positive image and contribute to a learning environment that is free of disruption. To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently and in a manner that does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size. In accordance with board policy, all students shall dress and groom for school with attention to cleanliness, respectability, safety, and personal and public health. Students and staff are responsible for managing their personal distractions.

Universal Dress Code

Students must wear:

- Top (shirt, blouse, sweater, sweatshirt, tank, etc.);
- Bottom (pants, shorts, skirt, dress, etc.); and
- Footwear.

Students may not wear clothing, jewelry, or personal items that:

- intentionally show private parts. Clothing must cover private parts and midriff in opaque (not able to be seen-through) material;
- contain pornographic images, threats, or that promote illegal or violent conduct such as the unlawful use of weapons, drugs, alcohol, tobacco, or drug paraphernalia;
- demonstrate hate group association/affiliation and/or use hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or other protected groups;
- cover the student's face to the extent that the student is not identifiable including sunglasses.

Attire worn in observance of a student's religion are not subject to this policy.

Enforcement:

Principals are required to ensure that all staff are aware of and understand the guidelines of this policy.

Staff will use reasonable efforts to avoid dress-coding students in front of other students.

Students shall not be disciplined or removed from class as a consequence for wearing attire in violation of this policy unless the attire creates a substantial disruption to the educational environment, poses a hazard to the health or safety of others, or factors into a student behavior rule violation such as malicious harassment or the prohibition on harassment, intimidation, and bullying. Further, no student shall be referred to as "a distraction" due to their appearance or attire.

Typical consequences for a violation of this policy include parent/guardian contact or conference and the directive to cover, change, or remove the non-complying attire. A student may be instructed to leave their classroom briefly to change clothes. The Principal or their designee should notify a student's parent/guardian of the school's response to violations of the student dress policy.

APPENDIX B

SMS GENERAL DISCIPLINE POLICY

Students must exhibit responsibility to themselves and others while being assured a physically and psychologically safe environment. A major responsibility in educating children is to define, implement, and enforce consequences and accountability. Consequences must be fair, firm, and consistent. The following document lists clear expectations for behavior and clear consequences for unacceptable behavior. All consequences will be administered in a caring manner where the child's dignity and self-worth is protected while inappropriate behavior is addressed. School rules are determined by school/district policies and state law.

General Expectations

The SMS Behavior Expectations have been developed to encourage a positive learning environment. Our school rules are based on these principles:

1. Each individual has dignity and worth.
2. A free society requires respect for persons, property, and principles.
3. Each individual is responsible for his or her own actions.
4. Each individual has a responsibility to the group as well as to the total society.

Students, staff members, and parents are informed about discipline policy through the Sacajawea Middle School Agenda.

The following procedures will be used when a student is referred for a rule violation:

- a. The student will be informed specifically of what rule has been violated.
- b. The student will be provided the opportunity to present an explanation.
- c. The consequence for the rule violation will be determined by school, or district policy, state law, and the judgment of the person administering discipline. "Judgment" may include referrals to other appropriate school programs or resources such as counselor, student assistance programs and Department of Family Services.
- d. Parents/Guardians of the student will be contacted by phone and/or mail and the procedure will be outlined for them.

School Discipline Guidelines

- a. Teacher develops classroom procedures.
- b. Teacher explains classroom rules to students.
- c. Teacher informs parents about classroom rules through distribution to students of class disclosure documents. Parental acknowledgment needs to be signed and returned.
- d. Teacher conferences with students who exhibit inappropriate behavior and assigns detention or other consequences as appropriate.
- e. Teacher contacts parents for repeated inappropriate behavior.
- f. Teacher refers to the principal or assistant principal students whose classroom behavior continues to be inappropriate.

- g. Student misconduct of an extremely disruptive nature—for example: fighting, swearing at a teacher, or endangering other students—will result in immediate removal from the classroom. Consequences are determined by school or district policy, state law, and the judgment of the administration. Parents will be contacted.
- h. Expensive items are discouraged from being brought to school. Students are responsible for any such item brought to school and the school will not be responsible for loss or destruction.

Search Guidelines

The goal of search and seizure with respect to students is meeting the educational needs of children and ensuring their security. The objective of any search and/or seizure is not the eradication of crime in the community. Searches may be carried out to recover stolen property, to detect illegal substances or weapons, or to uncover any matter reasonably believed to be a threat to the maintenance of an orderly educational environment. The Board authorizes school authorities to conduct reasonable searches of school property and equipment, as well as of students and their personal effects, to maintain order and security in the schools.

1. The search of a student, by authorized school authorities, is reasonable if it is both: (1) justified at its inception, and (2) reasonably related in scope to the circumstances which justified the interference in the first place.
2. School authorities are authorized to utilize any reasonable means of conducting searches, including but not limited to the following:
 - a. A “pat down” of the exterior of the student’s clothing;
 - b. A search of the student’s clothing, including pockets;
 - c. A search of any container or object used by, belonging to, or otherwise in the possession or control of a student; and/or
 - d. Devices or tools including, but not limited to, breath-test instruments, saliva test strips, and contraband wipe kits.

Forms of Consequences at SMS

Confiscation: Items inappropriate for or disruptive to schools including, but not limited to, studded items, fireworks, matches, cap pistols, lighters, knives, noise makers, laser pointers, cell phones, tobacco, drug paraphernalia, will be taken away. Confiscated items may not be returned and illegal items may be given to a law enforcement officer.

Restitution: Damaged or stolen items need to be replaced or repaired. An estimate for repair or replacement will be furnished to the student. The student and his/her family will be responsible for the cost of repair or replacement. As necessary, arrangements can be made for a student to work to pay a debt.

Lunch Detention: Students will be required to serve lunch detentions in the office and complete a behavior reflection form, which may be reviewed by either a counselor or an administrator.

Time Out Study Hall (TOSH): A teacher may send a disruptive student from his/her classroom to TOSH; parents will be notified. A student sent to the TOSH may be assigned to "Zero Period" the next school day or a lunch detention.

Zero Period: Zero period is 7:30-8:10 AM. Zero Period is used primarily as a consequence for certain types of misbehavior including previously mentioned classroom disruptions, general school misconduct that mainly occur in the hallways, bus duty, or missing a teacher assigned detention.

In School Suspension (ISS): This is administered by the principal or assistant principal. The student is permitted to come to school but remains in the office apart under supervision for the duration of the suspension. Parents are contacted by the child, principal or assistant principal. Students will receive credit for schoolwork completed during the suspension and will visit with the grade level counselor.

Out of School Suspension (OSS): This is administered by the administration. Short term OSS suspension will be one to five days and long term out of school suspension will be six to ten days. Student is sent home and is not permitted to come to school or be on school property. Parents are contacted and a letter is sent home. Students will receive credit for schoolwork completed during the suspension. The student and parent(s) will meet with the administration before reentering school.

Expulsion: A student is removed from the Bozeman School District for a specified period. This requires recommendation to the Superintendent and Board action.

Montana Education Code 20-4-402 and Bozeman Board Policy 6110 allows the superintendent and/or principal of a school to suspend or recommend for expulsion a student for any infraction of the following rules while on school grounds, going to or coming from school, during the lunch period whether on or off the campus, or during, or while going to or coming from, a school sponsored activity. The designated consequences for each occurrence (1st offense, 2nd offense, additional offenses) are guidelines followed by 6-8 schools. However, any of the listed offenses, when the conduct is of an extreme nature, may result in a suspension of up to 10 days or a recommendation for expulsion/placement in the Alternative to Expulsion program for the first or second offense. This list is not intended to be either inclusive or conclusive. Administrators reserve the right to modify consequences at their discretion pending determination of special circumstances. If a student, while on school property, at a school-sponsored activity or on a school-sponsored trip, is asked by a teacher, administrator or chaperone to participate in an investigation of a suspected or known violation of school rules or policies, and that student flees the scene refusing to participate in the investigation, the student will be deemed to have interfered with the investigation and will be punished for the offense being investigated as if the student fully participated in the offense being investigated. Students with significant chronic behaviors may be recommended for expulsion/placement in the Alternative to Expulsion program.

(1) Caused, attempted to cause, or threatened to cause **PHYSICAL INJURY** to another person (**BP# 3240**) Students who by their presence &/or actions encourage disruption, fights, or physical injury are subject to disciplinary action.

APPENDIX C

CHEMICAL DEPENDENCY PREVENTION

Parents and Students

Alcohol and other drug abuse is a national as well as an identified local issue. The Bozeman Student Assistance Program is one way to deal with this concern along with other personal problems that may manifest themselves at school. Sometimes disturbing situations are noticed at school. Concerned individuals can confidentially refer students to Student Assistance Teams. These small groups of trained staff members are available in each school. A confidential referral does not necessarily mean a student has a problem.

Federal law states parents and students must be told about alcohol and drug laws, health risks, school rules, and helping resources. The Bozeman School District is committed to keeping its schools alcohol and drug free. Student use of alcohol or drugs at school and/or school activities is illegal and harmful. Students may be suspended, expelled, or referred to law enforcement agencies. Students may also be required to see a counselor or attend a drug treatment program. The district does not pay for drug treatment or private counseling.

Alcohol and Drug Laws

It is against the law for people under 21 years of age to drink or possess alcoholic beverages. Parents will be notified if their son or daughter is in violation, and a citation may be issued and counseling may be required. Contributing alcohol to minors is illegal. Illegal drug use is wrong and many career opportunities may be forfeited. Penalties for dangerous drug use or sale can be harsh. Juveniles can be tried as adults. A conviction of selling drugs within the "Drug Free School Zone" (within 1,000 feet of school property) carries additional penalties and fines. Property can be seized.

Tobacco Policy

All school district buildings and grounds are tobacco free. (Ref Policy #5225)

Law-Assisted Dog Searches

Periodic, non-intrusive searches of student lockers, health enhancement lockers, and parking areas may be made. A school official will accompany the police officer on all searches. Searches will be conducted systematically, to insure that all student lockers and parking areas are eventually searched.

Health Risks

Alcohol and drug use can be very harmful to good health. Alcohol abuse can cause alcoholism, liver disease, and nerve damage, as well as problems with friends, family, employment, money, and depression. Alcohol and illegal drug use, possession, or distribution is prohibited on school property and at school activities. Compliance with this standard is mandatory. If a student is caught in a violation, the parent will be notified. The police may be notified. The student may be suspended, expelled, and/or referred to counseling. An alcohol and drug evaluation may be required. Students will be encouraged to seek help regarding their alcohol or drug issues. All Bozeman schools are tobacco free.
