

BEEKMANTOWN CENTRAL SCHOOL DISTRICT

Wireless HotSpot Parental Consent form

The Beekmantown Central School District is offering a limited number of free wireless hotspot devices to students who do not have Internet access at home. This program enables students to “check out” Internet service for up to two weeks at a time—absolutely free. Both the device and monthly service fees are fully paid by the district. The program is intended to help BCSD students access online resources at home to help bridge the digital divide and ensure educational equity. To ensure peace of mind, these devices use internet content filtering and are scheduled so that they cannot be used between 11 p.m. and 6 a.m. The borrowing limit is one device per household, but these devices can be signed out repeatedly throughout the year. This form must be completed by the parent prior to each time a device is signed out to the student, unless the yearlong waiver is agreed to at the bottom of the form. By signing this form, the parent agrees to assume all responsibility for equipment signed out to the student. A replacement fee of \$99 will be charged if the device is lost, damaged or not returned.
