Kajeet Education Broadband™

Educational Filters

Kajeet Education Broadband™ is intended for educational use only. If Kajeet, or your technology staff, detect use which is not educational, Kajeet may temporarily block service while conducting further review.

PRE-CONFIGURED FILTERS

The Kajeet SmartSpot® with Education Broadband is pre-configured to block the following types of sites:

- **Criminal and age-inappropriate content** (pornography, drugs/alcohol, weapons, gambling, profanity, hate speech, etc.).

- **High-bandwidth or popular consumer sites and app traffic** (Internet radio, TV, celebrity news/gossip, non-educational games, text/pic/video chat sites, etc.).

NETFLIX **Spotify®**
hulu **pandora®**

- Various **protocol and security risks** (known malware, proxies, viruses, P2P protocols, IPSEC VPN, etc.).

- **Social media sites** (such as Facebook, Snapchat, Twitter, Instagram, etc.).

TIME-OF-DAY CONTROLS

By default, the SmartSpot devices have time controls restricting access from 11:00 p.m. – 6:00 a.m. so students have appropriate time for sleep.
