Gallatin Valley Farm to School is again hosting our Seed to Snack Garden Explorer Summer Camp for incoming 3rd-5th graders! The week-long summer camps will take place in late summer at the Hyalite Elementary or Irving Elementary School gardens and are focused on discovering where food comes from. Youth will learn how to grow and tend a garden and harvest fresh foods that they will use to cook delicious snacks every day. Students will create garden art, unleash their inner scientist as they observe and dissect flowers and insects, and become anthropologists as they examine our food system. We even take a field trip to a local farm!

We will be hosting three, week-long sessions this year:

-July 11-15, at Hyalite Elementary

-July 25-29, at Hyalite Elementary

-August 1-5, at Irving Elementary

To learn more about our camps, our organization, or to register, visit [gvfarmtoschool.org/camps](http://gvfarmtoschool.org/camps). We have a limited number of need-based scholarships available. Please don't hesitate to contact us if you have questions, by email at [meghan.montgomery@foodcorps.org](mailto:meghan.montgomery@foodcorps.org) or [erin@gvfarmtoschool.org](mailto:erin@gvfarmtoschool.org)

**CELEBRATION OF THE STUDENT**

Hyalite Elementary will be hosting their third annual *Celebration of the Student* on Tuesday, May 17<sup>th</sup> from 5:30-7:00 pm. This is a time for our students to show their families some of the great work they have been doing at school this year. Please come join us for an evening of family fun.

## Warm weather dress code reminder

Please make sure your child is dressed appropriately for school. The length of shorts should come down to wear your child's finger tips are when their hands are down at their side. Straps on shirts should be a two fingertip width. No spaghetti straps please.

## Summer Binders

Spring is finally here and it is not too soon to be thinking about summer programs for the kids! One way to keep both parents and children sane and happy over the long vacation is to find a balance between satisfying the need for play that all children have, and finding interesting and stimulating activities they can participate in. So, you may be asking yourself how you can find creative ways to keep your child learning and entertained. **SUMMER PROGRAMS!**

Thrive has created a Summer Activities Binder full of summer program brochures and information. Most programs and scholarships are first come first serve, so start making plans early. Check it out on the windowsill at the front office. Call your Parent Liaison, Annemarie Dubois, at 922-4235 or [annemarie.dubois@bsd7.org](mailto:annemarie.dubois@bsd7.org) with any questions or for scholarship information.
