

Dear Parents/Guardians:

The 2022 Middle School Track and Field season is set to begin on Monday, April 4th, and run through May 13th. **Registration is now open on DragonFly.** The season is open to 7/8th grade boys and girls and will be hosted by both SMS and CJMS.

Practices will take place every Monday through Friday tentatively from 3:45-5:15. Specific practice times will be communicated to players/parents prior to the start of the season. Students should come to practices dressed and ready to participate, including bringing your own equipment and water bottle.

All students in 7/8th grade are required to complete the MSHA Pre-Participation Physical, Student Athlete Concussion Form, and pay the \$80.00 activity fee online before the first practice. Students will not be allowed to participate until registration and payment is complete. Forms and instructions can be found on the Middle School Activities page on the Bozeman School District website.

If you have any questions, please contact your child's middle school activities coordinator.
