

How to Find the Number of Days we Have Been In School This Year

- From the First Page of PowerSchool (In School)
- Under Setup – Click School
- Under Calendaring – Click Calendar Setup
- At the bottom of the list click on – Verify # of school days in the current term.
- Choose the date – The number to the right of the date is the number of days we have been in school.

The screenshot shows the PowerSchool interface. On the left is a navigation menu with categories like 'Reports', 'Setup', 'Tools', and 'Admin'. The main area is titled 'School Days' and displays a calendar for the '2018-2019 Year' with a total of '170 school days'. The calendar lists dates from August 27 to June 6, with each date followed by its day of the week. The dates are arranged in three columns: the first column contains dates from August 27 to November 20; the second column contains dates from November 27 to March 5; and the third column contains dates from March 8 to June 6.
