Setting Up Categories PowerTeacher Pro

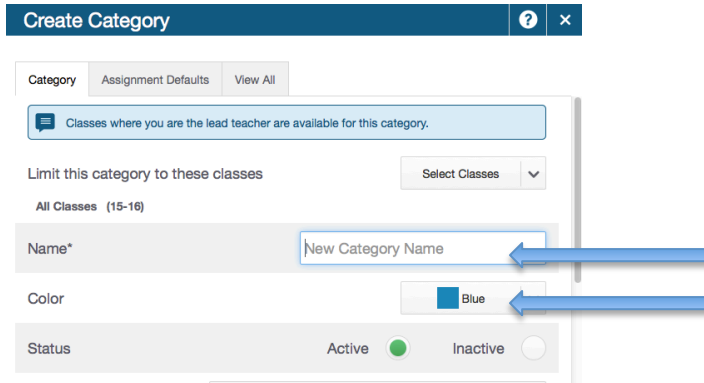

1. Select Create

2. Select CATEGORY

3. Add CATEGORY and Name

The image shows the "Create Category" form in the PowerSchool interface. The form has a dark blue header with the title "Create Category" and a close button (X). Below the header, there are three tabs: "Category", "Assignment Defaults", and "View All". A message box says "Classes where you are the lead teacher are available for this category." Below this, there is a section "Limit this category to these classes" with a "Select Classes" dropdown menu and the text "All Classes (15-16)". The "Name*" field contains the text "New Category Name" and has a blue arrow pointing to it from the right. The "Color" field shows a blue color swatch and the text "Blue", with a blue arrow pointing to it from the right. The "Status" field has two radio buttons: "Active" (which is selected) and "Inactive".
