

SLED DAY #1

<p>ONLINE OPTION Students will log into IXL (www.ixl.com) and complete THREE new lessons to 85% in one of the following subjects of their choice:</p> <p>Lessons must be completed on Grade Level.</p> <p style="text-align: center;">Language Arts Math Science Social Studies</p>	<p>ENGLISH <i>After reading the following paragraph, on a separate sheet of paper, rewrite the paragraph changing the word in the bold, underlined text, to another word that has the same connotative meaning.</i></p> <p>Are you <u>waiting</u> for a new breakfast food that's more than just a cereal? Your wait is over. Verve! is a new <u>morning</u> meal that tastes <u>great</u> and is easy to prepare. Verve! was created with cutting-edge science to <u>ensure</u> you get all the healthy vitamins and minerals you need to get your day started. But unlike most "healthy" cereals, the taste of Verve! is <u>exceptional</u>. Verve! is not only <u>flavorful</u>, it is made from the best whole grains and protein available on the world market. Whole grains and brown rice give Verve! its <u>crunchy</u>, crisp texture. Then we added nature's sugar—coconut milk—and blended it with dark, robust cinnamon from Asia. The blend of flavors and <u>textures</u> is something you will not forget. Verve! is easy and <u>convenient</u>. Its bold, all-natural taste will get you going on the right foot! So be <u>adventuresome</u>—add some energy to your morning. Add Verve! You'll be delighted you did!</p>	<p>SOCIAL STUDIES For years, many history books have claimed that "Columbus discovered America."</p> <p>In a complete paragraph, explain why you think Native Americans might disagree with this statement?</p>
<p>MATH Write each phrase as an expression or equation.</p> <ol style="list-style-type: none"> 1. the product of eight and w 2. twenty divided by a number is five 3. 7 times b is 63 4. the product of five and three is y 5. three less than t is 5 	<p>SCIENCE Use the steps of the scientific method (6):</p> <ol style="list-style-type: none"> #1: State the Problem #2: Make an observation #3: Hypothesis #4: Experiment/Steps #5: Record results #6: Conclusion <p>Identify a problem that you have experienced today and and create a lab report of your process. (Be sure to label each step as you write your report.)</p>	<p>RELATED ARTS Write 3 paragraphs about your day. .How are you feeling about being home from school? Has this day caused you any stress? Did the snow keep your family from being able to go to work? The store? Are you missing school? Be creative!! Remember to ORGANIZE your thoughts!!!</p>
