TIME COMMITMENT FOR UPPER SCHOOL ATHLETES

FINANCIAL COMMITMENT FOR FAMILIES

2024-2025

#GOLIONS
May 17, 2024

Dear Parents and Guardians of Upper School Students,

The 2023-2024 school year has been full of great moments and great learning in athletics. People often ask me what my favorite part of the job is. I am torn between two options. First, I am most engaged during competitions. I love watching our athletes compete. They do so with poise, confidence, and trust in their coaches and teammates. Second, I truly value watching practices. Everything from watching a great teaching moment led by a coach to the funny things said in between drills by teammates that show their love and care for each other. When I was a high school student-athlete, there is no other place I wanted to be other than playing a sport with my teammates. My job allows me to continue to connect with that amazing feeling!

We created this document so that families know what to expect when a student decides to play a sport at the Upper School. You will find start dates, practice times, contacts for coaches, and many other important pieces of information. If your student is considering playing a sport during the 2024-2025 school year, this is a great reference guide for your family. You can see when practices begin; what expectations are over vacations and long weekends; and read about the attendance policy for participating in athletics (next page). There is also information about costs to families and required equipment.

Any costs associated with participating in athletics that are not covered by the school budget are charged through student billing. For families receiving a financial aid package, charges from the athletics department are covered at a similar percentage to the overall award. No one should ask you for money. When students travel overnight for non-league or fun experiences, there is a minimal charge. You will see this indicated on the team pages throughout this document. Otherwise, post-season travel, apparel, uniforms, and equipment are all covered by the school.

We want every student who wants to be part of the athletics program to join us. It is important to note, however, that participation in our athletics program requires a significant time commitment. Students need to honor that commitment from the first day of practice until the last day of the season. Additionally, some sports have cuts, so not everyone who wants to be on a particular team will have the opportunity. There is at least one sport each season that does not make cuts.

Please direct questions about specific teams to the coach listed on each team page.

Go Lions!

Chris Hartley
Director of Athletics
chris.hartley@lakesideschool.org
Please read these two policies carefully to ensure that your student is eligible to participate in athletics.

DAILY ATTENDANCE POLICY FOR PARTICIPATION IN ATHLETICS

- For students to be able to participate in practices or competitions, they must attend all classes and be present at all required school meetings (advisory, assembly, class meetings, etc.).

- If students miss a class or required meeting because they skip, they lose track of time, they are tardy more than 15 minutes, they are ill, or they are sleeping, they are ineligible to participate that day.

- If students miss a class or required meeting due to an appointment that is excused by the Upper School office, then they can participate. The most common excused absence that is approved for participation in athletics is a doctor’s appointment.

- Please note that students who miss a class or required meeting because they sleep in or get extra rest in the morning will NOT be eligible for participation in athletics that day. Even if a student’s parent/guardian excuses this absence, it does not make the student eligible for athletics that day.

RATIONALE: Academic classes are the top priority at Lakeside. Athletics come after academics. So, students need to make being in class their top priority. If a student does not attend all classes and meetings due to illness or because they are too tired, then their priority needs to be focusing on their school work. Time after school should be used to catch up on work or to meet with teachers. If a student skips a class or required meeting, then the consequence for that decision is that the student loses the privilege to participate in athletics.

IN-SEASON LAKESIDE ATHLETES PARTICIPATING ON A NON-SCHOOL ATHLETICS TEAM

- If a Lakeside athlete will miss practices or competitions because that athlete will be participating in an event with a non-school athletic team, that athlete must inform the Lakeside coach well in advance of the non-school team event. A waiver must be requested and approved by the coach and the director of athletics.

- If the school sport is one of the WIAA sports, the consequences for not following this protocol are significant. If the Metro League is not informed of this situation, if the waiver is not granted, and if the athlete misses a Lakeside practice or competition, that athlete is ineligible for the remainder of the season.
Baseball
Teams: Varsity and JV

Head Coach/Program Head: Kellen Sundin
Email Address: kellen.sundin@lakesideschool.org

First Day of Practice for Varsity: 3/3/2025
State Championship Weekend: 5/31/2025
First Day of Practice for Sub-varsity: 3/3/2025
Approximate Last Day: 5/9/2025

Are there tryouts? Yes
Does your program have cuts? Yes
Athletes hoping to make the team must be at tryouts which are the first two to three days of practices (3/3-3/5)

</tr>
<tr>
<td>Varsity and JV Games</td>
<td>Game time: 3:30 or 4 pm</td>
<td>3 Games over Spring Break</td>
</tr>
</tbody>
</table>

Additional In-Season Commitments: We provide bus transportation to/from practices and games. On practice days the bus leaves Lakeside as soon as school lets out. The bus will return to Lakeside by 5:45. On game days students typically receive an early dismissal at 2 p.m. or before meaning they miss part of A5 or B5 period. Rainouts will change the game schedule, so we may end up having four games in a week. On the first Saturday of the season, we will have a practice followed by a parent/guardian meeting to share information about the upcoming season. There will be a program-wide banquet held at Lakeside in mid- to late-May.

In-Season School Vacations: We play Metro League games over Spring Break, so everyone needs to commit to being available for games and practices over break.

Summer Commitment: The cages at Lakeside will be open for hitting and pitching sessions throughout the summer. If you are in town and interested in using these facilities, please contact Kellen Sundin at least one week in advance.

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

STUDENT BILLING
Billing for the Season: $100-$200 if the team takes a weekend trip.

REQUIRED EQUIPMENT/GEAR NOT PROVIDED BY THE SCHOOL

Equipment: Glove (can provide if needed)

Gear: Cleats/Turf Shoes, Practice pants
Boys Basketball

Teams: Varsity, JV and JVC

Head Varsity Coach/Program Head: Mike Broom

</tbody>
</table>

Additional In-Season Commitments: Players are required to have ten practices prior to competing in a game which puts attendance at a premium over Thanksgiving Break. We have a parent/guardian meeting during the first two weeks of practice. Information about the squads and season will be shared at that meeting. There is an end-of-season, program-wide banquet. The varsity team will participate in a tournament during winter break.

In-Season School Vacations: Players have Thanksgiving Day off but practice all other days. There are practices scheduled over winter break for all three teams. Varsity has games over winter break. The varsity team is usually still playing during Mid-Winter Break (February).

Summer Commitment: Experienced players are asked to help work Summer Camps. Optional open gym times available to all players, and an optional tournament or two. Nothing is mandatory.

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

STUDENT BILLING
Billing for the Season: $400 (Varsity Only. Covers the costs of the winter break tournament)
Game Admission: There is an admission charge to all home and away games ($7-$10). Individuals and families can purchase season passes at a discounted rate for all home regular season games. Lakeside students do not pay for home games.

</tbody>
</table>

Transportation Arrangements: Student and parent/guardian carpools are used to get from Lakeside to the Ayrault Shellhouse (Kenmore). Students are unable to return to campus in time for the Activity Bus, so arrangements need to be made for the student to return home. Carpools can be used.

Additional In-Season Commitments: Two regattas are overnight trips. For both regattas, students leave on Thursday and return to Lakeside on Sunday. For local regattas, athletes’ days begin early in the morning and are scheduled until the evening.

In-Season School Vacations: There are two practices each day during spring break for returning members of the team (Varsity) and one practice each day during spring break for new members of the team (Novice).

Summer Commitment: Returning members of the team (Varsity) are encouraged to participate in the optional summer training sessions held throughout the summer. Coaches will communicate dates and times in May and June.

Fall Practices: Interested students can row in the fall. Coaches will share more information about the time commitment in a summer communication.

Winter Workouts: Winter training workouts are for Varsity athletes who will be rowing in the spring. School transportation is not provided. There will be four workouts per week, two land workouts and two workouts on the water. Novice athletes will be considered for this opportunity on a case-by-case basis.

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

STUDENT BILLING

Estimated Billing for the Year: $300 in the fall; $600 in the spring.
**Items Contained in Bill:** Travel expenses for regattas that do not involve travel by plane range from $50-$350 depending on the location of the regatta and the length of stay. There is an additional charge for athletes who go to Nationals.

**REQUIRED EQUIPMENT/GEAR NOT PROVIDED BY THE SCHOOL**

**Equipment:** None

**Gear:** Rowers need to have spandex apparel. No loose-fitting clothing (athletic shorts, t-shirts)
Boys & Girls Cross Country

<td>Team Meets</td>
<td>One per week on a weekend, 3 optional Saturday invitationals</td>
<td>Weekday meets start approximately at 2:45 and will end before 5 pm. Lakeside transportation provided for those needing it.</td>
</tr>
</tbody>
</table>

Additional In-Season Commitments: The first five days of pre-season practice (August 26-30) are optional practices. On the first Saturday when school is in session, we will host a parent/guardian meeting to share important information about the team and the season, and there is an optional workout at the same time for the runners. There is an end-of-season banquet that will take place in early December. On meet days, students will have an early dismissal and miss all their last period class (A5 or B5). Runners will miss a full day of class for the Metro League meet in mid-October.

In-Season School Vacations: Practices held on Labor Day and on teacher in-service days.

Summer Commitment: None. Weekly emails are sent to the runners with training ideas and suggested training schedules. Once a week for the months of June and July there is an optional informal run that is attended by a coach as well – usually late Tuesday afternoons.

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

STUDENT BILLING
Billing for the Season: $100 for students who participate in invitationals that require an overnight stay.

REQUIRED EQUIPMENT/GEAR NOT PROVIDED BY THE SCHOOL

Equipment: Distance training shoes, some may want to have cross country racing spikes – we also have some loaner spikes

Gear: good synthetic socks, non-cotton training clothes (shorts, sweats, long and short sleeved shirts)
FOOTBALL
Teams: Varsity and JV

Program Head/Head Coach: Mike Lengel
Email Address: mike.lengel@lakesideschool.org

First Day of Practice for Varsity: 8/21/2024
First Day of Practice for Sub-varsity: 8/21/2024
State Championship Weekend: 12/7/2024
Approximate Last Day: Early-November

Are there tryouts? No
Does your program have cuts? No

<table>

</tr>
<tr>
<td>JV Games</td>
<td>Monday afternoons/evenings Saturday Afternoons</td>
<td>Monday – 4 pm Saturday – 1 pm</td>
<td>Same as varsity</td>
</tr>
</tbody>
</table>

Additional In-Season Commitments: Practices begin before school starts. There will be 5 “double days” that run 3:30-8:30 p.m. Freshman players are asked to help at varsity games with filming and other support work. There is an end-of-season banquet that will take place in late November.

In-Season School Vacations: Practices held on Labor Day and on teacher in-service days.

Summer Commitment: There are about twenty practices in the summer held from 5:00-7:00 p.m. Attendance at summer practices is encouraged. An athlete’s commitment in the summer will have a direct correlation to varsity playing time in the fall. And, an athlete joining Lakeside football for the first time will find the summer practices beneficial. New football players will have time to meet the older players and to learn the offense and defense.

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

STUDENT BILLING
Estimated Billing for the Season: $100 if the team has an overnight trip in July.
Game Admission: There is an admission charge ($7-$10) to all games for fans. Lakeside students do not pay for home games.

REQUIRED EQUIPMENT/GEAR NOT PROVIDED BY THE SCHOOL

Equipment: None
Gear: Cleats
Boys & Girls Golf

Teams: Varsity

Head Coach: Guy Thyer
Email Address: guy.thyer@lakesideschool.org

First Day of Practice for Varsity: 8/26/2024
Approximate Last Day: 10/29/2024

State Championship Tournament: 5/22/2025

Are there tryouts? Yes

</tr>
<tr>
<td>Varsity Matches</td>
<td>Two per week (days vary)</td>
<td>4 p.m.: first tee time</td>
</tr>
</tbody>
</table>

Additional In-Season Commitments: We provide bus transportation to/from practices and matches. On match days students will miss all their last period class (A5 or B5).

There will be a parent/guardian meeting held at the beginning of the season. There will be a program-wide, end-of-season banquet in October. The boys district tournament takes place during the last week of October. The girls district tournament takes place in mid-May. Both the boys and girls state tournaments take place during the last week of May.

In-Season School Vacations: Practice will be held on three-day weekends when teachers have professional development days.

Summer Commitment: The first two or three days of practice are tryouts. It is important for students who want to compete on our golf teams to practice over the summer. Lakeside’s top golfers average between 36 and 40 for nine holes. Students wanting to be contributing members of the team should regularly shoot below 50 for nine holes, have some tournament experience, and know the rules of golf.

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

STUDENT BILLING
Estimated Billing for the Season: $100-$200 for any pre-season team trip that involves lodging and golf.

</tbody>
</table>

Additional In-Season Commitments: There is the potential for an overnight trip the first weekend of the season or over spring break. On the first Saturday of practices, we will host a parent/guardian meeting to share important information about the team and the season. There is an end-of-season banquet that will take place in early- to mid-May. Parent/guardian volunteers are needed to run our home and away games. Please volunteer if you are able.

In-Season School Vacations: There are practices and potentially travel to games over spring break. It is important that all players attend spring break practices. There are practices on all in-service days for teachers (no classes).

Summer Commitment: If athletes want to learn about summer club opportunities, please reach out to Coach Hartley.

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

STUDENT BILLING
Estimated Billing for the Season: $100 if there is an overnight trip.

</table>

Additional In-Season Commitments: Practices begin before school starts. There will be “2-a-day” practices the week before school starts that run 3:30-8:30 p.m. In order to make the varsity team a student has to be able to be at practice beginning August 26. There will be one or two team-bonding events in the first two weeks of practice in the evenings. There is a program-wide, end-of-season banquet that will take place at the conclusion of the season.

In-Season School Vacations: Practices will be held on Labor Day and on in-service work days for teachers (no classes).

Summer Commitment: There will be practices throughout the summer beginning late-June early-July and ending Friday, July 28. When the new head varsity coach is hired, more information will be shared. Attendance is strongly encouraged when athletes are in town.

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

STUDENT BILLING

Estimated Billing for the Season: $50 (for team bonding events)

REQUIRED EQUIPMENT/GEAR NOT PROVIDED BY THE SCHOOL

Equipment: None

Gear: Cleats and shin guards
Boys Swim & Dive

Teams: Varsity

</table>

Additional In-Season Commitments: Pre-Season meeting with all parents, guardians and swimmers; end-of-season banquet for all. Carpools are used to travel between Helene Madison and the school after morning practices. Carpools are used to travel from the school to Helene Madison for meets. Busing is provided for away meets. Because of the timing of swim meets, swimmers receive an early dismissal on Fridays during the season, missing part or all of their final class of the day (A5 or B5). The team might have an overnight, team bonding experience during winter break.

In-Season School Vacations: Practices during week of Thanksgiving, Winter Break, and Mid-Winter Break, weekdays and Saturdays, not including holidays.

Summer Commitment: None

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

Additional In-Season Commitments: Pre-Season meeting with all parents, guardians, and swimmers; end-of-season banquet for all. **There is an overnight trip to Southern California planned for the first week of practice. More information will be shared in late-May.** Busing is provided for away meets. Because of the timing of swim meets, swimmers receive an early dismissal on Fridays during the season. They will miss part or all of their last period class each Friday (A5 or B5).

In-Season School Vacations: Practices begin before school starts. Practices are held on in-service days for teachers (no classes).

Summer Commitment: None

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

<tr>
<td>JV Matches</td>
<td>Two per week (days vary)</td>
<td>Matches start at 3:30</td>
</tr>
</tbody>
</table>

Additional In-Season Commitments: Most, if not all, travel is accomplished with carpools using student drivers. On match days, students typically receive an early dismissal between 1:30 and 2:30 depending on where the match is being played. Weather greatly affects the match schedule. Depending on the number of rainouts, there are some weeks when students might have four matches. There will be a parent/guardian meeting held at the beginning of the season. There will be a program-wide, end-of-season banquet.

Metro and District Tournaments (Varsity only) happen on multiple days beginning the second week of May. Players advancing in the tournaments will miss classes on several days. Play usually begins in the early afternoon and runs until the evening.

In-Season School Vacations: No practices over Spring Break

Summer Commitment: None

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student’s schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

<td>One per week on a weekend, 3 optional Saturday invitationals</td>
<td>Weekday meets start approximately at 2:45 and will end around 7 pm</td>
</tr>
</tbody>
</table>

Additional In-Season Commitments: On the first Saturday of practice, we will host a parent/guardian morning meeting to share important information about the team and the season, and there is an optional workout at the same time for the runners. Because of the timing of meets, athletes receive an early dismissal on competition days. They typically miss all the last period of the day (A5 or B5) of meets. There is an end-of-season banquet that will take place in early June.

Metro and District meets are two-day events (Thursday and Saturday) with an early dismissal on Thursdays.

In-Season School Vacations: There are no formal practices during Spring Break. Optional workouts will be offered for those interested.

Summer Commitment: None

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside’s strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student's schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.

STUDENT BILLING

Estimated Billing for the Season: $50 (participation in invitationals that require an overnight stay)

Additional In-Season Commitments: The weight management program for wrestling is a critical component. An athlete's safety and well-being is the primary focus. This program is closely monitored and administered by the athletic training staff. The team might go on an overnight trip, traveling to a college or university to watch a tournament. There will be a parent/guardian meeting held at the beginning of the season. There will be a banquet at the end of the season.

In-Season School Vacations: There will be practices over Thanksgiving break (guaranteed no practice on Thursday). There will be practices over Winter Break (guaranteed no practice on Christmas Day or New Years Day).

Summer Commitment: The coaching staff will send the summer practice schedule to families and will share camp opportunities.

Strength and Conditioning: The expectation is that all athletes will participate in Lakeside's strength and conditioning program. Student-athletes will be given the opportunity to sign up to participate in this program during free periods, before school, or after school (out of season). This is a year-round program. As is always the case, a student's schoolwork has top priority. So, if adding an additional time commitment in the strength and conditioning room is too much, athletes can postpone this work.
