

Department of Special Education

Spring/Summer/Fall 2022

Dear Renton School District Special Education Teacher New Hires,

Welcome to RSD! We are thrilled to have each of you join our district!

As a special education teacher, we recognize that there is additional information that you will need prior to your students coming into your classrooms. Please plan on attending this additional special education session. During this time, you will learn about and how to access:

- IEP Online, our IEP writing software
- RSD Special Education Handbook, which includes all SPED related processes
- Goalbook, an instructional tool for our special education teachers

You will get meet and interact with your special education support team from the district office!

Please mark your calendars now!
