

# Adobe Certified Associate Animate

## INDUSTRY-BASED CERTIFICATION DESCRIPTION

The Adobe Animate CC exam incorporates the updates and enhancements found in the new software. The Animate CC exam validates an individual's skills using the premier animation tool. The ACA Animate CC exam proves a student has the skills necessary to create dynamic and engaging content required for a career in animation and design.

The Adobe Certified Associate Animate exam measures the following domains: setting project requirements, understanding rich animated media, understanding adobe animate CC, creating rich animated media content using animate CC, testing, publishing, and evaluating rich animated media elements using animate CC.
