

IAED Emergency Telecommunicator

INDUSTRY-BASED CERTIFICATION DESCRIPTION

Working as an emergency telecommunicator means that you need to have certain skills and competencies as demonstrated by passing an exam such as this one. Some of the competencies relate to how to respond to various emergencies as part of your responsibilities. In addition, you will need to understand how various emergency calls are classified, such as police, fire, and medical, and how to manage those calls. In addition, you will need a strong understanding of the telecommunication technologies and the protocols involved and knowledge of the legal and ethical aspects of the job.
