(signed) Clerk of District Meeting or  
District Clerk

This budget should be submitted within 30 days of voter approval or of adoption by the Board of Education in the case of a contingency budget. If the budget reflects one or more special propositions approved by the voters, please attach a copy of each proposition as well as a numerical tally.

### INFORMATION, INSTRUCTIONS, SUGGESTIONS

1. MAILING INSTRUCTIONS - Four copies of the SBM-1 have been provided for each school district.
  - a. Independent superintendencies should mail ONE completed ORIGINAL copy to:  
New York State Education Department  
Bureau of General Educational Management Services  
Room 3055, Cultural Education Center  
Albany, New York 12230
  - b. Districts under the jurisdiction of district superintendents should mail TWO copies to the district superintendent who is requested for forward ONE ORIGINAL to the address above within two weeks from receipt thereof.
2. This Annual School Budget Form (SBM-1) is for use in all but city school districts.
3. Classification and coding must be consistent with the Uniform System of Accounts.
4. All relative appropriation codes should be used as listed on the SBM-1. Consolidation beyond account codes provided should be avoided.
5. Salaries for "noninstructional" personnel include all employees not certified by the Education Department, such as clerks, stenographers, teacher aides, custodians, and bus drivers. The term "instructional salaries" refers to certified (Education Department) positions including teachers, teaching assistants, and administrators.
6. An approved or contingent budget is essential to provide the district with "opening entries" as close to July 1 as possible. The same budget should be mailed to the State Education Department. Any changes or functional alterations should be submitted at a later date accompanied by authorization for the change (new propositions, other contingent appropriations, etc.)
7. Code 1380.4, "Fiscal Agent Fees" is to be used only if the district does not use the Debt Service Fund.
8. An extra page 8 is attached for statistical purposes. Please complete this schedule as a duplicate.
9. All code changes reflect the new Uniform System of Accounts.
