

Stephens County High School  
Governance Team Meeting

August 23, 2017

1:30pm

Stephens County High School Administrative Conference Room  
Minutes

New SGT members were introduced to the administration.

A discussion was had among members, the superintendent and administrators about reducing credits required to graduate from 28 to 23 credits. A vote was taken and it was unanimously passed on for the BOA to consider reducing the credits to 23.

The SGT voted in favor of purchasing 10 carts or 300 Chromebooks in order to bring SCHS closer to a "one to one" status with technology. Z-Space/3D usage was discussed and the team wants to see this utilized more.

SAT prep class was discussed.

All team members reviewed and signed an ethics agreement which is required for SGT members.
