WES is a Nut-Free Campus

Westlake Elementary School is a nut-free school. This means that no peanuts or tree nuts (almonds, walnuts, hazelnuts, etc.) or any products containing peanut (peanut butter crackers, cookies, etc.) or tree nut (Nutella, cashew butter, etc.) can be brought into the building for any reason, including in lunches and snacks. Please make sure you're checking labels of prepackaged foods like granola bars, cereal, etc. to ensure you're not accidentally sending in food with nuts [and enjoy these nut-free lunch ideas!](#)

Selecting Attendance Days

In an effort to safely manage the amount of students attending daily we ask that families indicate days of attendance via the parent calendar - [located in the parent portal via the attendance tab.](#) Attendance days can be added to the calendar until 11:00 P.M. the day prior to attending. You may attend on a drop in basis with a fee of \$5.00/child. We currently do not have a daily enrollment cap but if you are aware of your Camp Link needs we encourage you to enter your dates of attendance as soon as you are able. It will allow us to plan accordingly for student groupings and staffing levels. You are able to remove days of attendance at any time. Please let us know if you have any questions or need assistance.
