### WRITE

Select 2 writing activities and have an adult help you write or type your response.

- Practice writing your name in rainbow colors!
- One morning, you woke up and realized you were the color green! Write about what happened, and draw a picture to go along with your writing.
- Do the skittles experiment and use this recording sheet to show what happened: [Super Skittles Surprise!](#)
- Draw a detailed picture using just one crayon, like Harold from Harold and the Purple Crayon. Label the parts of your picture.

## MAKE

Pick 3-4 "Make" activities below. Take a photo or video of what you created!

- Mixing colors- Use water and food coloring in small containers, use an old medicine dropper to mix colors
- Create a rainbow out of markers or crayons
- Try this [Color Explosion Experiment](#)
- [Painting with colored ice cubes](#)- this is a fun activity to do outside!
- Create your own relay races using colorful toys
- Make patterns with colors and shapes you find in your house
- Graph your family's favorite colors
- Sorting colors - Sort your legos or colored blocks
- Go on a walk and graph the colors that you see
- Paint rocks and make a very hungry caterpillar to hide in your garden
- Pick a white flower and place it in a glass of water with food coloring, watch it change colors!

## Great work! Now it's time to EARN YOUR BADGE!

- At the end of the summer, fill out the Google Form as found on the [Haverford Summer Work Website](#)
- Follow the steps on the Form
- Congratulations, you have earned your Badge!
