### WRITE

Select 2 writing activities and have an adult help you complete on a piece of lined paper!  
[Superkids Writing Paper](#)

- Draw a picture of you and your family on holiday or vacation. Where did you go? Describe what the weather was like on that holiday.
- Keep a weather journal. Document what the weather is like each day.
- Write a story about playing in the rain with a friend. Draw a picture to go with your story.
- What is your favorite season? Describe the typical weather in that season and what you like to do in 3 sentences. Draw a picture to go with your writing!
- You are the star meteorologist on the evening news! Draw a picture of yourself on TV and write about what you would say to your audience.

## MAKE

Pick 3-4 "Make" activities below. Take a photo or video of what you created!

- Try the Tornado in a Jar [Science Experiment](#).
- Create a [Weather Pinwheel Craft](#).
- Try the "[Exploring wind](#)" activity. How do different objects move on a windy day?
- Make your own [rainbow](#).
- Keep a log of the time, temperature, and cloud cover every day in this unit.
- Make a Solar [Power pizza oven!](#)
