

Mustang Online Payment System

Mustang Public Schools now has a new way to make online payments for student fees. Parents/Guardians will still use My School Bucks for your student's lunch account, but all other fees can be paid using the InTouch Receipting Online Payment System.

Things you need prior to using the new payment system:

- Email address your parent portal is associated with
- Parent Portal set up prior to May 25, 2017
- All of your students linked to your parent portal

If you do not have one of these three items, you will have to wait to until September 5, when Parent Portal opens. **

CURRENT EMAIL

The email information you completed in your student's enrollment packet is the email that is associated with your student, Parent Portal, and InTouch Online Payment System.

PARENT PORTAL

The PowerSchool **Parent Portal** is a feature of the PowerSchool Student Information System that provides parents/guardians immediate access to grades, assignments and attendance records in an effort to facilitate and improve communication between home and school.

Your student's Parent Portal sign on information is obtained from your student's school. When Parent Portal opens on September 5th, go to <u>https://ps.mustangps.org/public</u> and setup your parent portal account. If you have multiple children in the district, make sure all your children are linked to your parent portal. You will need each child's student ID numbers to do this.

Once you have set up your parent portal, wait 24 hours. It takes a cycle for the new account username and email information to be moved into the online payment system.

NOTE: If you have a parent portal that was set up prior to May 25, 2017 but your student is not showing, you will have to wait until September 5th. Then you will log into your parent portal and link your student, wait 24 hours and then your student should be in your online payment system account.

InTouch, our online payment system, utilizes your parent portal username and the email associated with parent portal. Therefore, your parent portal username will also be your username for the online payment system.

Once Parent Portal is open and your account is setup, you will access the web site at the following address: <u>https://ok-mustang.intouchreceipting.com</u>

(Parents who already have Parent Portal and student linked to their account may access this link anytime.)

This screen should appear.

Identify Your Account	
Check your email inbox for additional instructions.	
To reset your password, please identify your account.	

Check your email for a link to create a password for the online payment system. It should resemble this.

When you click on the link, you will be prompted to enter your new password. It must contain one letter and one number. Then click the Change button.
