Hello Mitchell families!

I can't believe how quickly our year is coming to an end. I thought as my updates also come to an end I would highlight some of the activities that will be coming up in June! Here they are:

1. Field Day – June 17th with rain date of June 20th. Any volunteers please make sure background checks are in. Students will have a regular lunch in the café that day. Half of the day will be spent participating in field day events and the other half will be ice cream and dance party! We are so excited for this event!!
2. Iready and IXL end of the year testing are occurring this week and next. I am so proud of all of our students and how hard they have worked this year in making progress toward goals they set.
3. Smarter Balance testing has come to an end this week. Thank you to all of the 3rd, 4th, and 5th grade parents who got their students to school every day and on time!! It was greatly appreciated!
4. Make sure to watch the June 6th Board of Education meeting as we will be featuring some of our musical talent from MES!
5. Cardboard Challenge games and Science fair projects will be on display tonight 6/1 from 4-6 for everyone to enjoy and view.
6. Tuesday June 7th will be our spring concert! It promises to be even bigger and better than our winter one. You definitely want to see this one!
7. The talent show will be June 15th for students in school at 9:00am and for parents at 3:45. Our 3rd, 4th, and 5th graders are practicing hard for them to show you all of their talents!! Most practices are on their own and some are being done during recess. Looking forward to sharing with all and by the way I am making plans to have it live streamed for those that can't make it.

Phewwww lots going on and these are only a few! It will definitely be a busy June!
