

KENT DENVER SCHOOL

KDS Athletics off the Field, Court, Ice and Pool

ETHICS DAY: WOMEN IN SPORTS

The Athletic Department will host an ethics day seminar. We will explore the inequalities between male and female sports in our culture. We will hear from Sheila Walker, a behavioral geneticist who specializes in sports behaviors. We will cover the behavioral responses around women in sports.

The purpose of the Ethics Day seminar is to raise awareness that women are capable of anything! We want to bring to light the inequalities in sport.

KENT DENVER SUMMER CAMPS

Summer at Kent Denver School is the perfect place for kids to exercise, have fun, meet new friends and improve their athletic skills. Check out all of our amazing 2022 summer sports camps at www.kentdenver.org/summer!

DEI WORK

CHSAA Equity and Inclusion Outreach dates:

- April 13

KACI KARL AND AMANDA LICHT '22

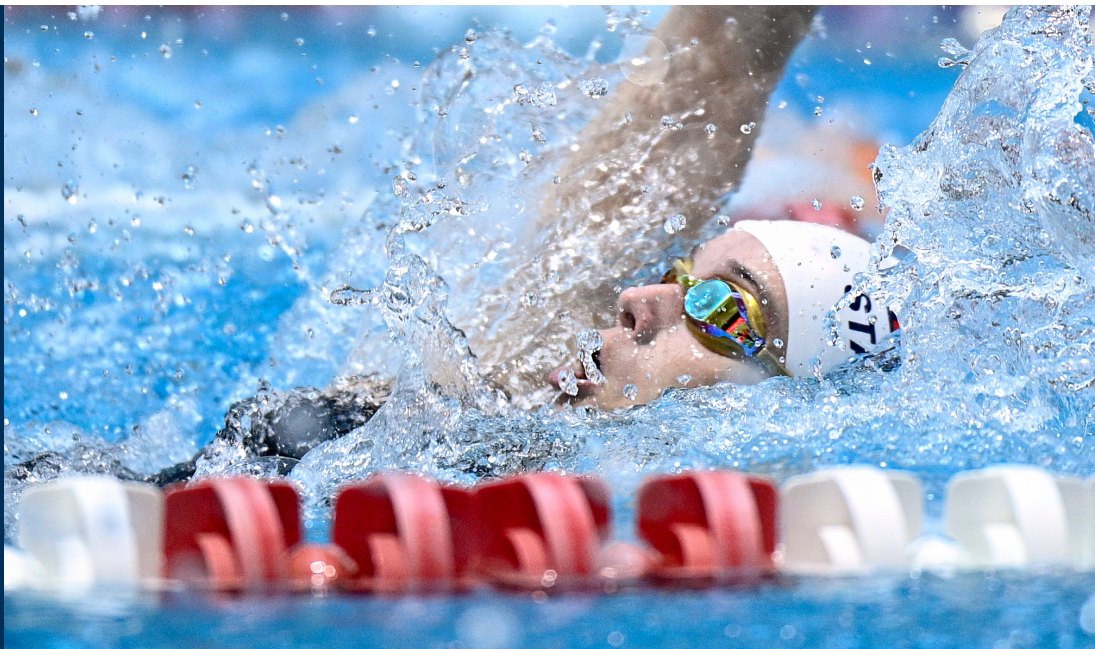

After a successful season for our girls' basketball program, Amanda Licht and Kaci Karl became decorated seniors. Amanda was named 1st team All League, Senior of the Year, Honorable Mention All State, and she was selected to play in the CCGS (Colorado Coaches of Girls Sports) game.

Kaci was named 2nd team all league and was named Sun Devil of the Season.

Thank you both for your dedication to Kent Denver Athletics!

KENT DENVER TENNIS

Kent Denver and Glenmoor Country Club are using the company RecycleBalls to recycle our tennis balls. More than 125 million tennis balls end up in landfills in the US each year—adding to the ever-growing plastic pollution problem. In order to do our part as a community, please recycle any old tennis balls that you have by placing them in the green cardboard container located on the west side of the tennis courts by the bathrooms. Reach out to Audrey Davies (adavies23@kentdenver.org) with any questions!
