ARTICLE I

ASSOCIATION RECOGNITION

The Board recognizes the Plymouth Education Association as the exclusive representative of all those employees in positions requiring a teaching or special services certificate and employees holding a durational shortage area permit, including long-term substitutes (one who is regularly certified for the work being done and fills a position for forty (40) school days or more in the same assignment in a school year), other than temporary substitutes for the purpose of professional negotiations.

In accordance with the provisions of Public Act 03-174, employees working in a teaching position solely on the basis of a Durational Shortage Area Permit (DSAP) shall be included in the bargaining unit. Such individuals shall be covered by all terms and conditions of the collective bargaining agreement, except as follows:

- a) A DSAP holder shall not accrue seniority or length of service for any purpose of this Agreement. Notwithstanding the foregoing, if a DSAP holder becomes certified as a teacher and is retained continuously by the Board as an employee after receiving such certification, with no break in service, then the individual shall be credited with seniority and length of service for all purposes under this Agreement, retroactive to the first date of employment by the Board.
- b) The Board shall have the right, in its sole discretion, not to renew and/or to terminate the employment of a DSAP holder, and the DSAP holder shall have no right to file and/or pursue a grievance under this Agreement with respect to such action.
- c) DSAP holders shall have no bumping rights or recall rights under this Agreement.

ARTICLE II

GRIEVANCE

A. Definition:

“Grievance” shall mean a complaint by a teacher or group of teachers that, as to him/her or them, there has been a violation, misinterpretation, or misapplication of the contract, rules, regulations, administrative directives, or policies of the Board of Education, or that he/she or they have been treated in a manner inconsistent with an established practice.

B. Procedures:

1. A teacher and an Association representative (if the teacher so desires) shall first discuss the grievance informally with the school official serving as his/her immediate supervisor (or principal). If the matter is not satisfactorily adjusted within two (2) school days, the teacher shall submit it in writing on the approved form within five (5) school days to such immediate supervisor (or principal).
2. Such immediate supervisor may request a meeting with the teacher and an Association representative (if the teacher so desires) prior to making his/her decision, but in any event must render his/her decision in writing, on the approved form, with copies to the teacher and the Association, within five (5) school days of the submission of the grievance.
3. Failing satisfactory settlement within such time limit, the aggrieved teacher may, within five (5) school days, appeal in writing on the approved form to the Superintendent or his/her designated representative. Such writing shall set forth specifically the act or condition on which the grievance was based and the grounds upon which the appeal is based.
4. The Superintendent or his/her representative shall meet with the teacher and an Association representative (if the teacher so desires) within ten (10) school days of the receipt by him/her of the appeal, and shall give his/her decision in writing, on the approved form, to the teacher and the Association within ten (10) school days of such meeting.
5. Failing satisfactory settlement within such time limit, the aggrieved teacher may, within five (5) school days, appeal in writing on the approved form, to the Board or its designated committee. The Board or its designated committee shall meet with the teacher and the Association representative (if the teacher so desires) within twenty (20) school days of receipt by it of such appeal, and shall give its decision in writing, on the approved form, to the teacher and the Association within ten (10) school days.
6. If any grievance is filed after June 1, the time lines shall be waived and the grievance shall be settled with all due haste.

C. Arbitration:

1. In the event a grievance shall not have been settled under the Procedures in (B) above, the Association may submit such grievance to the American Dispute Resolution Center, Inc. (ADRC) for arbitration in accordance with its administrative procedures, practices and rules.
2. Notices of intention to make such submission to arbitration must be in writing addressed to the Superintendent and the submission to the ADRC must be made no later than ten (10) school days following the decision of the Board or its designated committee, or the expiration of the time limits for making such decision, whichever shall occur first.

3. The arbitrator shall hear and decide only one grievance in each case. He/She shall be bound by and must comply with all the terms of this agreement. He/She shall have no power to add to, delete from, or modify in any way any of the provisions of this agreement. The decision of the arbitrator shall be binding upon both parties and all teachers during the life of this agreement, unless the same is contrary to law. Fees and expenses of the arbitrator shall be borne equally by the Board and the Association.

4. No provisions of this contract that are stated as a matter of policy shall be subject to arbitration.

D. General Provisions:

1. Any grievance not presented for disposition through the Grievance Procedure within fifteen (15) school days of the occurrence of the condition giving rise thereto, shall not thereafter be considered a grievance under this agreement. Failure by the aggrieved teacher at any level to appeal the grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level. Failure by any administrator or the Board to render his/her/their decision within the specified time limits shall be deemed to be denial of the grievance submitted at the expiration of such time limits (as defined by a stamped date on such grievance form) and shall permit the grievant to appeal to the next step. The time limits specified at any step may be extended by agreement in writing between the Superintendent and the Association.

2. No teacher may file for arbitration as an individual.

3. Meetings held under the Grievance Procedure shall be conducted at a time and place that will afford a fair and reasonable opportunity for all persons proper to be present. When such meetings are held during school hours, all persons who participate shall be excused without loss of pay or that purpose. Persons proper to be present for the purpose of this section are defined as an aggrieved teacher or teachers, their appropriate Association representatives and qualified witnesses.

4. Grievances arising from the action of an official other than the assistant principal or principal, may be initiated with the Superintendent or his/her designated representative.

5. The Association shall have the right to initiate a grievance at the level at which the dispute arises (but in no event at arbitration) or appeal from the disposition of a grievance of a teacher or group of teachers at any step in this procedure.

6. No reprisals of any kind shall be taken by the Board or by any member of the Administration or by the Association or member of the unit against anyone for reason of participation in the Grievance Procedure or support of any participant thereto.

7. Association representatives shall be permitted, when otherwise free from teaching or duty assignment, to investigate or process grievances within their respective areas of representation.

- C. Where possible, secondary and middle school teachers shall not be assigned to more than five teaching periods per day in addition to their homeroom duty. Consultation with the teacher is necessary prior to assigning a sixth period. If the Board exercises this unilateral right, the parties shall bargain over the impact of such change, if any.
- D. Each elementary school teacher shall have a preparation period during the time that his/her class has Art, Music, Physical Education, and Library, if such classes are scheduled. Student lunch/recess shall also be preparation periods on those days the teacher does not have lunch duty.

D. PERSONAL LEAVE

Each teacher may be granted up to two personal days with pay within the academic year, with a statement of the reason for such leave, cumulative to three (3). 2. Teachers returning from partial year leaves of absence shall notify the Superintendent, in writing, thirty (30) calendar days prior to their return.

3. Teachers returning from leaves of absence shall be restored to their former position, comparable position, or a position for which the teacher is certified.

4. Failure to provide written notice of return from leave in accordance with this Agreement shall operate as a resignation of employment, provided that at least thirty (30) days prior to the date written notice is due from the teacher the Board shall send the teacher notification of this provision by certified mail.

5. In order to advance a step on the salary schedule at the beginning of a school year, a teacher must actually have worked and/or been on paid leave for a total number of days exceeding one-half of the number of days in the teacher work year during the preceding year.

ARTICLE VIII

Vacancies are those positions which are newly created or open through resignation, termination, promotion, reassignment, transfer or death.

4. In the determination of assignments and transfers, the convenience and wishes of the individual teacher will be considered as well as all requirements and best interests of the school system and the pupils.

5. Upon request, unsuccessful applicants for transfer to a different school shall be notified of the reason or reasons for denial of their request within ten (10) days of the filling of the requested position.

6. No new hiring shall occur until all requests for a transfer to a different school have been honored or denied.

7. In no event will a transfer to a different school be granted where such transfer would result in a layoff of another teacher or preclude recalling a teacher from layoff according to Article XXI.

8. Involuntary changes from one building to another shall be made in inverse order of seniority.

ARTICLE IX

PERSONAL INJURY BENEFITS

Whenever an employee is absent from school as a result of personal injury, caused by an accident in the course of his/her employment, he/she shall be paid his/her full salary (less the amount of any workers' compensation award made for temporary disability due to said injury) for the period of such absence. Such absence shall be charged proportionately to his/her sick leave during such period to the extent accrued.

ARTICLE X

- B. The Board shall not be required to obtain substitutes for teachers who do not have a direct classroom teaching responsibility.

The Board shall offer each bargaining unit member the opportunity to participate in the Connecticut State Partnership Plan 2.0 (SPP) for health benefits and dental benefits. The health plan benefits shall be as set forth in the SPP effective on July 1, 2018, including any subsequent amendments or modifications made to the SPP by the State and its employee representatives. The dental benefits shall be provided through the SPP. The Board shall offer two dental insurance plan options from the Connecticut Partnership Plan 2.0 to eligible teachers, the Basic Plan and the Enhanced Plan. The administration of the SPP, including open enrollment, beneficiary eligibility and changes, and other administration provisions shall be as established by the SPP.

- a. The premium rates shall be set by the SPP. Based on such rates, the Board shall establish a blended rate to provide the same rate to active and retired members in accordance with statute
- b. The SPP contains a Health Enhancement Plan (HEP) component. All employees participating in the SPP are subject to the terms and provisions of the HEP. In the event SPP administrators impose the HEP non-participation or noncompliance \$100 per month premium cost increase or the \$350 per participant to a maximum of \$1400 family annual deductible, those sums shall be paid 100% in their entirety by the non-participating or non-compliant employee. No portion or percentage shall be paid by the Board. The \$100 per month premium cost increase shall be implemented

through payroll deduction, and the \$350/\$1400 annual deductible shall be implemented through claims administration.

c. In the event any of the following occur, the Board or the Association may reopen negotiations in accordance with Conn. Gen. Stat. Section 10-153f(e) as to the sole issue of health insurance, including plan design and plan funding, premium cost share and/or introduction of replacement medical insurance in whole or in part.

i) If the SPP in its current form is no longer available; or if the benefit plan design of the SPP is modified as a result of a change in the State's collective bargaining agreement with SEBAC, if such modifications would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an additional optional health insurance plan; and/or

ii) If Conn. Gen. Stat. Section 3-123m et seq. is amended, or if there are any changes to the administration of the SPP, or if additional fees and/or charges for the SPP are imposed so as to affect the Board, any of which amendments, changes, fees or charges (individually or collectively) would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an additional optional health insurance plan; and/or

iii) If the cost of medical insurance plan offered herein is expected to result in the triggering of an excise tax under The Patient Protection and Affordable Care Act ([ACA; P.L. 111-148], as amended, inter alia, by the Consolidated Appropriations Act of 2016 [P .L. 114-113]) and/ or if there is any material amendment to the ACA that would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an additional optional health insurance plan.

f. In any negotiations triggered under subparagraph c above as well as negotiations for a successor to this collective bargaining agreement, the parties shall consider the High Deductible Health Plan with Health Savings Account set forth in Article XI(A) of the parties' 2018 to 2021 collective bargaining agreement to be the baseline for such negotiations, and the parties shall consider the following additional factors:

- Trends in health insurance plan design outside of the SPP;
- The costs of different plan designs, including a high deductible health plan structure and a PPO plan structure.

- Should such negotiations be submitted to arbitration for resolution, the arbitration panel shall consider the foregoing in applying the statutory criteria in making its ruling.

B. Employees participating in the health and dental plans shall contribute the following percentages of the costs for the applicable plan:

	2021-22
Health Plan	22 %
Dental Plan	24 %

C. Teachers eligible for health and dental insurance coverage under the provisions of this Article shall also be eligible for \$15,000 of life insurance, with an option to purchase up to \$35,000 in additional coverage at their own expense (subject to the approval of the carrier).

D. The Board may change or substitute insurance carriers or managed care organizations for the above-referenced health benefit program as long as the level of benefits is substantially equivalent to or better than the existing program. The "substantially equivalent to or better than" standard shall be applied on a program-wide analysis, including the network, and shall not be benefit specific.

E. Excise Tax: The Patient Protection and Affordable Care Act ("PPACA"; Public Law 111-148) has set forth and codified under the Internal Revenue Code (IRC) §4980I the imposition of an excise tax related to employer provided health insurance plans that exceed certain value thresholds.

Should any Federal statute or regulation including but not limited to IRC §4980I be mandated to take effect during the term of this Agreement triggering the imposition of an excise tax with respect to any of the contractually agreed upon insurance plans offered herein, the parties agree to commence mid-term negotiations on the excise tax in accordance with the Teacher Negotiation Act. Such negotiations shall be limited solely to the distribution of payment of the excise tax, health insurance plan offerings, coverage, design, and premium cost share. Other negotiated subject matters shall not be subject to this reopener provision.

ARTICLE XII

PROTECTION OF TEACHERS

A. Teachers shall report immediately in writing to their principal and to the Central Office all cases of assault suffered by them in connection with their employment.

B. This report shall be forwarded to the superintendent and then to the Board, which shall comply with any reasonable request from the teacher for information in its possession relating to the
