The College Application Process and Naviance Presentation

Please view the following **presentation** that highlights the important resources available on the post high school planning tab of the counseling website.

The Common Application is an online college application that is accepted by over 900 post-high school institutions. Please take some time to preview The Common App's **Application guide for first-time students** to learn more about applying using the Common Application.

If you have not already done so, create a personal email address that can be used for post-high school planning. Your school district email should not be used.

Application Completion Days:

August 16th between 12:00 pm - 2:00 pm in the library

August 23rd between 12:00 pm - 2:00 pm in the library

Counselors will be available to support the Class of 2023 in completing their applications. HHS English Teachers will also be available to offer their support with essay writing. Students should bring their charged Chromebook.

Check out the **essay writing resources** under Resources for Post High School Planning on the Counseling website!

The Admissions Offices at Post High School Institutions are open and want to engage with prospective students. Please check each Post High School Institution's website to determine their options for virtual communication and in-person campus visits.

Teacher Letter of Recommendation:

It is recommended that you choose ONE teacher to write you a letter of recommendation unless your school requires two. You must see a teacher in person and make a verbal request for a letter of recommendation OR communicate through email BEFORE you add a request in Naviance. Requests can be added in Naviance at the start of the 2022-2023 school year.

Counselor Letter of Recommendation:

If your college requires a Counselor to write a Letter of Recommendation, you must complete the Post High School Planning Reflection and Activities Record in Naviance. Also, it is helpful, but optional, if your parent/guardian completes the Parent Information Sheet in Naviance.

>>> To do list: <<<<

- Review the **Transcript Request Instructions**
- Complete the Post High School Planning Reflection and Activities Record in Naviance.
- Attend Application Completion days
- Watch the FAQ "How to" videos available on the counseling website under Post High School Planning.

Tips on Researching Post High School Institutions:

- Talk to students who attend the Post High School Institution that you are interested in.
- Contact each school's admissions office and ask them to help you connect with a current student to ask them about their experience.
- Visit and delve into each school's website. Websites provide a wealth of information. Explore widely those things that matter to you.
- Sign up to be on the mailing list for every school you're considering. This will demonstrate your interest in the college, and keep you updated on happenings at the school: admissions information sessions, tours, and other programming opportunities.

Planning ahead:

- Continue to use and familiarize yourself with Naviance to identify your interests, research careers, and colleges, organize personal data, and maintain a list of prospective colleges.
- Continue to explore your post-high school options by gathering information. Visit and use the Counseling website, use the tools in Naviance, look at websites, and talk to friends, family, and recent graduates of Haverford to gather information on careers, majors, and schools.
- Attend virtual and in-person college and career events.
- Communicate with schools you want to learn more about.
- Explore possible summer opportunities (volunteering, employment, internship, or summer learning program).
- If you are interested in playing sports in college, research the **National College Athletic Association (NCAA) eligibility requirements**.
- If applicable, start to gather material for a portfolio (drama, music, art, sports, etc.).

Plan on taking the PSAT in October 2022

The PSAT is practice for the SAT and is open to 9th, 10th, and 11th grade students. It also qualifies 11th grade students for the National Merit Scholarship Program. The PSAT assesses the same knowledge and skills as the SAT, providing a check-in on college readiness before taking the SAT. Please look for registration information at the beginning of the school year.

Things to do:

- Create a personal email address that can be used for post-high school planning. Your school district email should **not** be used.
- Use this newly created personal email address to sign up/register on CollegeBoard and ACT if you plan to take the SAT or ACT.
