

## **Summer Reading Book Assignment 2022**

### **For Incoming IWA Sixth Graders**

**Dear Students,**

**I am greatly looking forward to having you in my language arts/literature classes this fall. As a part of our curriculum, you will be reading the novel Where the Red Fern Grows by Wilson Rawls over your summer break. Please keep a reading log on notebook paper as follows:**

**the date you read a chapter from the novel**

**a four-sentence summary of the chapter**

**There are twenty chapters in the novel, so you will have a total of twenty entries in your reading log. Bring your copy of the novel and your reading log to my class on the second week of school, which is when we will begin working on the novel unit together.**

**Please email me at [truesdaleb@iwacc.org](mailto:truesdaleb@iwacc.org) if you have any questions, and I will get back to you as soon as possible.**

**Blessings,**

**Mrs. Truesdale**
