From Brittany Lewis:

Dear Upward Bound Students,

I want to start by saying that it has been an honor to work for Upward Bound for the past several years, and I will miss the students and staff greatly. If you haven't heard yet, I took another position in July as an advisor with the University Advisement Center at ETSU. Though I will miss working with you all as participants in Upward Bound, I hope to have the opportunity to work with some of you again if you decide to attend ETSU in the future!

I have learned so much from working with UB students, and am continually inspired by your determination and spirit. You all are so lucky to have the support of the UB staff, and I hope each of you take full advantage of the opportunities afforded to you through Upward Bound.

Wishing you success and joy in all your future endeavors!

Brittany

JUNIORS

You probably know that this is the year you will take the ACT, but did you also know that your GPA at the end of junior year will be used to determine whether you get admitted to some colleges or receive certain scholarships (including the Academic Performance Scholarship at ETSU)? Be sure to keep an eye on your GPA this year, and take advantage of tutoring at your school or through tutor.com if you need it!

SENIORS

Welcome to Senior Year! This year can be busy and stressful, but UB is here to help! Make an appointment with Ali to explore colleges and scholarships or ask financial aid questions! We are also happy to write college recommendation letters for you. Let us help you with all your senior year needs!

All seniors will have the opportunity to complete the requirements for Summer Bridge Program. Ali will cover these requirements in detail at the session, but the first step is:

Apply to ETSU

- « If you filled out an ETSU application this summer, just remember to turn in a copy of your transcript with ACT scores (in a signed, sealed envelope) at a school visit.
- « If you haven't filled out the application yet, remember to fill out the paper copy (not the online one) and turn it in to UB.
- « Remember that this application will apply you for summer and for next year, so no need to apply again!
- « UB will pay your application fee, so **everyone should apply to ETSU** (even if you don't plan to Bridge)!

Call or email Ali (williamsam3@etsu.edu, 439-4003) if you have any questions!
