classroom

behavior

Students are expected to follow all classroom and school rules at all times. A verbal warning will be given the first time. After that if the behavior continues the student will drop his/her clip. Every student begins on green for the day and is able to move up three colors or down three colors. On the lowest color (red) parent contact will be made to find a solution to the issue.

policy for

homework

Homework is given weekly on Monday and should be returned at the end of the week on Friday. If homework is incomplete then the student will be required to finish it during a working lunch for partial credit. This will allow the student to still earn some points instead of a zero.
