

2022-2023 School Supply List Middle School

The majority of school supplies needed for each student are provided by the school. However, there are a few supplies at each grade level that you will still need to purchase. Listed below are the items needed at each middle school grade level. School supplies provided by the school will be provided one time. Any replacements needed after that will be the responsibility of the student.

All Grade Levels - a backpack large enough for the needs of the particular grade level; i.e., a backpack large enough for books and notebooks to be transported to home and back to school.

All middle school students need to be prepared daily with pencil, black pen, red checking pen, and wide-rule notebook paper. An initial supply will be provided.
