Students, starting Monday, Feb. 28, we have decided to open the upstairs bathrooms in an attempt to give you closer restroom facilities to your upstairs classes. If we see any vandalism or have reports of students vaping and just hanging out in any of our restrooms, we will most likely go ahead and re-close them for the remainder of the year. Students, this is your school so take care of it. Don't feel bad for reporting issues going on in the restrooms, such as vaping, that will ruin it for everyone.

Seniors - Are you planning to enter the military after graduation? If so, please email Mrs. Schreiber at [Schreiber-c@Troy.k12.oh.us](mailto:Schreiber-c@Troy.k12.oh.us) or add your name and the branch you will be joining to the list in the Guidance Office. We need this information so that you can be recognized with a red, white and blue cord at graduation. Please let us know as soon as possible, but no later than May 1st.

**Remote Learning** - We will begin our online learning plan with our *next calamity day*. Below you can see the specific online learning plan for THS.

Teachers will check email throughout the day, but this time is designated for quick replies and/or meetings for students who need assistance.
