This spring we will ask questions about school climate, school fit, and school safety. In the fall we will ask questions about barriers to engagement, cultural awareness and action, and family engagement.

The surveys are available in the following languages: English, Spanish, Samoan, Tongan, French, Swahili, Haitian Creole, Portuguese, Somali, Vietnamese, Russian, Arabic, Simplified Chinese, Traditional Chinese, Pashto, Khmer, and Korean.

## **IMPORTANT INFORMATION TO NOTE**

## **On-Site COVID Testing**

Lake Washington School District is expanding on-site COVID testing for students and staff. Our school's scheduled testing day and time: Wednesdays from 9:45a - 10:45a. There are certain steps families need to take to access these on-site tests. If you wish to learn more about LWSD on-site testing, please [click here](#).

## **Free and Reduced Meal Application**

The USDA free meal waivers expire on June 30, 2022. As a result, meals for the 2022-2023 school year will be charged accordingly based on students' Free, Reduced, and Paid meal status. Even though meals are free through June 30 of this school year, we strongly encourage all families who might be eligible for free and reduced meal benefits to submit an application now. Filling out an application now may qualify families to receive seamless

meal benefits through October 15 to start the new school year. Completing an application online through [Myschoolapps](#) takes less than 10 minutes, and parents only need to complete one application per family.

## **Spring State Testing**

Each spring, all Washington public school students in grades 3-8 and 10 are assessed in English Language Arts (ELA) and math using Smarter Balanced Assessments (SBA). Students in grades 5, 8 and 11 are also assessed in science using the Washington Comprehensive Assessment of Science (WCAS). Results from these assessments provide meaningful feedback and data that teachers and other educators can use to help students succeed. The results provide data to help evaluate school-level and district-wide instructional strategies, initiatives and other programs.

Our students will be testing on....

3rd Grade: May 17, 18, 19, 31, June 2nd

4th Grade: May 24, 25, 26, 31, June 2nd

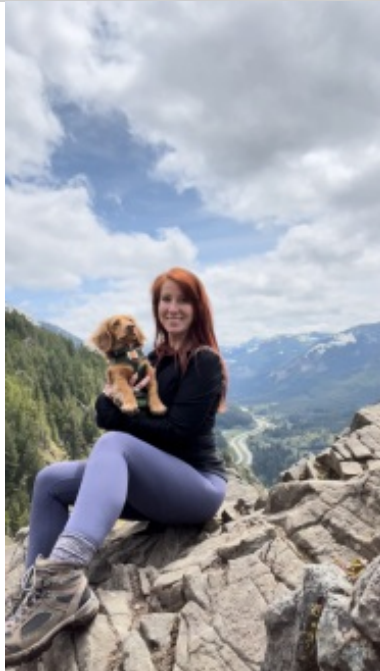

5th Grade: May 17, 18, 19, 24, 26, June 1st

**MEET OUR NEW RHE STAFF**

Hello adventurous Rose Hill Elementary Racoons, my name is Ms. Sarah Schultz (she/her), and I am a Multilingual Teacher. I am thrilled to be part of your amazing learning adventures for the remainder of the school year. I come to you from my journey at the Lake Washington Online School to teach in person. I live in the woodlands of Issaquah and actually have a family of racoons that live in the trees behind my house. I enjoy hiking, reading, tap dancing, crafting, racing cars, and playing with puppy Winston. My friends, family, and I spend a lot of time together doing outdoor activities such as boating, surfing, camping, hiking, and snowboarding. I look forward to our end of the year learning adventures together.
