Physicals

PLEASE USE OUR OUSD FORMS

Incoming freshman and returning athletes who wish to participate in any summer or school sport program must have a physical exam prior to participation in athletic activity.

No student will be enrolled in a fifth/sixth period athletic class or can participate in a summer camp **without an up-to-date physical on file.**

To begin the process for Athletics, please visit <https://www.homecampus.com> and create your student-athlete's account by clicking *register*. Then create a "New Clearance" for each sport and select the current school year. The physical and history forms can be found on our ELMO website, or they can be picked up at the Health Office. Please turn the **completed physical** and **history form** into the Health Clerk in the Health Office (Main Office).

Make sure the physical is signed, dated, and stamped by the Physician before submitting into the health clerk, attached together with the clearance information.
