PARKWAY PANTHER PRESS

As we close out the school year, I wanted to thank you for partnering with us as we worked together to ensure your child(ren) blossomed both academically and socially. As we move into the summer months, I want to wish everyone a safe, healthy and peaceful summer. May you enjoy spending quality time making new memories and embarking on new experiences with family and friends this summer.

As we quickly approach the end of the school year, we have so many things to celebrate. Together, with your support, we raised \$10,170 towards the purchase of a new all-inclusive transportation van. Throughout the fundraiser, the students reached milestones and were rewarded with fun surprises like an all school dance party. Our school wide dance party featured a parent/DJ

(Ms. Lan) who is the Co-founder of Kid Boogie Down. The ultimate goal was to raise enough money to duct tape Dr. Smith to the wall. This fun event will occur during our final School Wide Morning Meeting on June 10th.

Are you looking for something fun to do this summer? Show your school pride by helping maintain Parkway's school garden. Here are the links for families to register for (3) different exciting options:

End-of-Year Medication Pick-up and Vaccination Note

Hello parents! It's almost SUMMER! Please note:

If your student has had any medication at school this year, we need you to pick it up from the front office on or before the last day of school (*June 10th*). After that, it will be available at Glen Hills School's front office (2600 W. Mill Rd.) until ***Friday, June 17th***. After that date, your student's medication will be disposed of. If your student is attending Summer Academy, their medication will be transferred to and kept at Glen Hills for them to take as indicated throughout Summer Academy.

Also, a letter will be coming home with students in certain grades and emailed to those families regarding grade-specific vaccination requirements. Please take a look at this and plan accordingly with your physician.

Thank you so much! Please feel free to reach out if you need anything at all!

Bring your own picnic lunch. There will be a limited number of picnic tables available. Bring a lawn chair or picnic blanket if you prefer!

BOOK CLUBS

My First Book Club

North Shore Library | Community Room
Grades K-1

Each month we choose a book, read it together, and chat about it! No registration is needed to join this book club.

Tuesday, June 14 | 4:30-5:00 p.m.

This month, we’re reading Little Narwhal, Not Alone by Tiffany Stone. Based on a true story, this sweet and playful picture book about a little lost narwhal introduces kids to the marine world and the surprising friendships under the sea. Check out a copy from the library, or stop by the Circulation Desk for a free copy you can keep (while supplies last) starting May 24.

Tuesday, July 12 | 4:30-5:00 p.m.

This month, we’re reading A House by Kevin Henkes. Kevin Henkes employs interactive questions, declarative sentences, basic shapes, and a limited color palette in this picture book. A House introduces young readers to shapes, numbers, the weather, and the parts of a house.

1-3 Grade Book Club

Tuesday, June 21 | 4:30-5:00 p.m.
North Shore Library | Community Room
Grades 1-3

This month, we’re reading Doggo and Pupper Save the World by Katherine Applegate. Check out a copy from the library, or stop by the Circulation Desk for a free copy you can keep (while supplies last) starting May 31.

Tuesday, July 19 | 4:30-5:00 p.m.

This month, we’re reading Sir Ladybug by Corey R. Tabor. The debut of a clever and humorous young graphic novel series about the adventures of a valiant ladybug and his friends, from Geisel Award-winning author-illustrator Corey R. Tabor. Check out a copy from the library, or stop by the Circulation Desk for a free copy you can keep (while supplies last) starting June 28.

Nicolet Recreation

Calling All Junior Scientists!!

Mad Science® offers fun, inquiry-based, hands-on, camps that are sure to keep kids engaged and learning through the summer – all while having FUN!!

Mad Science Robot Academy Summer Camp

Welcome to the Mad Science Robot Academy! Join us for a week of fun as we experiment with our entire Mad Science Robot Fleet! We will learn about the many uses of robots around the world as we explore the exciting field of robotics. We'll also discover the science of circuits and how robots use sensors to explore things around them. We will also spend time learning about basic coding concepts, engineering principles and basic robots. Each Jr. Robot Engineer will also build their very own OWI Ozkar Vacuum Robot (Retail Value: \$19.95) to take home with them! Our camp will provide a great mix of fun and education as we strive to create a positive, supportive learning environment where kids feel comfortable working in groups and are encouraged to learn new things. Mad Science has always made the safety and security of kids in our programs an utmost priority. We will be following all Covid-19 regulations.

Camp Dates: Monday July 18 – Friday July 22, 2022

Camp Times: 9:00 am – 4:00 pm

Cost: \$399R/\$439NR – Register for Activity #312140-01

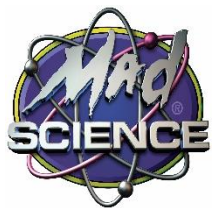

Appropriate for students ages 7 - 12

Camp is held at Nicolet High School

Students should bring a snack. Sack lunch, and beverage to camp each day. No peanut products, please!

Mad Science Crazy Chemworks After-School Program Registration Information

Register online at the [Nicolet Recreation Website](https://www.nicoletrecreation.com) or call 414-351-7566

Important Details –

We recognize our responsibility in helping to stop the spread of Covid-19, so we have updated our in-person protocols to include enhanced equipment sanitizing, frequent hand washing/sanitizing for both instructors and kiddos, and requiring our Mad Scientists to be vaccinated and/or use PPE (including face masks and/or face shields and gloves) while conducting programs.

We are constantly monitoring local, state, and national health agencies and are ready to comply with all governmental mandates and any mandates specific to your location.

PLEASE DO NOT RETURN REGISTRATION FORMS TO YOUR CHILD'S SCHOOL. Forms returned to the school do not guarantee enrollment in Mad Science.

Registration is limited and on a first come, first served basis. Avoid disappointment and register early! Please return registrations directly to MAD SCIENCE. Registrations MUST be postmarked or completed by phone at 262-330-5029, or online at [milwaukee.madscience.org](https://www.milwaukee.madscience.org) prior to the registration deadline. Please consult the front of this form for specific enrollment information.

Mad Science is held onsite at your child's school. Students will be grouped by like grades when possible.

All supplies and materials are included in the class fee. Each week the kids will receive a take-home item and take-home card that will enable them to continue the fun and learning at home!!

You will not receive a confirmation letter. You will be contacted only if there is a problem with enrollment.

Any questions?????

Feel free to call Nicolet Recreation at 414-351-7566

To avoid any mix-ups, please remind your child to go to Mad Science after school on class days. It's also a good idea to send the teacher a note instructing the child where to go. Our instructors are not able to leave the classroom to look for absent children.

An announcement will be made on the first day of class directing the children where to meet.

Mad Science is not responsible for children before or after the stated class times.

Please pick your child up promptly after Mad Science at the school designated location at dismissal. If you are going to be late, please make arrangements to have your child picked up by someone else or attend after school care if available.

Late pickup will be charged after a 5 minute grace period at the rate of \$1.00 per minute and must be paid to the Mad Science office prior to the start of the next class for your child to continue.

If your child attends after school care, they will be walked there at the end of class.

For refund requests made more than one week prior to the start of the program, a \$25 processing fee will be deducted. No refunds or credits will be issued with less than one week's notice. No refunds or prorated fees for missed classes for any reason. There is a \$30 fee for all returned checks.

If a class is cancelled due to inclement weather or an unexpected school closing, we will attempt to schedule a make-up class. We are unable to offer a refund for classes missed due to unforeseen circumstances. Refunds or credits will not be issued for school closures due to Covid-19; any remaining classes may be offered on our virtual platform.

An alternate topic for a particular class may be substituted without notice if necessary.

Please retain the bottom copy of this form for session dates and times.

YOUTH SOFTBALL LEAGUE

Our two co-ed youth leagues cover boys and girls from 1st through 4th grade. Beginners at all age levels have learned the sport quickly, gained personal confidence, and made meaningful contributions to their teams! Experienced multi-sport athletes playing spring soccer, lacrosse, fast pitch softball and even Little League have participated in two sports because of our league's low time commitment of only 1-3 hours per week, its affordability, and team roster sizes that allow for occasional conflicts.

Players are assigned to teams randomly, but we honor and encourage requests to be paired with other friends to help with car-pooling and to make it a comfortable and enjoyable experience for the kids. Teams are run by volunteer parents with a passion for teaching the game to young people. There are no rules with regard to how many boys or girls are on each team's roster or in the field of play at any given time, but efforts are made to maintain competitive integrity. Managers ensure that all players receive an ample amount of playing time regardless of ability. Games are umpired by adult recreation staff, and the season will conclude by July 31st. We will be offering two leagues, Parent Pitch (1st-2nd grade) as well as a Junior League (3rd-4th grade). The Parent Pitch league will use a "squishy" softball and have parents/coaches pitch, while the Jr League will use a 10" softball and have players pitch. In the Junior League scores and league standings are kept. Games will be played on Monday and Wednesday evenings. Depending on registration numbers, if necessary, the two leagues may be combined into a single 1st-4th grade league. In this event, rules may be adapted to fit all ages appropriately.

Please email the Program Director at caleb.franklin@nicolet.us if you have any questions.
TEAMS WILL BE FORMED BY May 1st, practices will begin May 9th, and games will begin June 1st.
