Maternity Support Right From The Start
Looking out for moms-to-be and babies.

WHOLE PERSON HEALTH SUPPORT

Your pregnancy is covered by your Blue KC health plan – starting with your first doctor’s visit. Coverage varies, so be sure to check your plan for details. Most cover:

- Prenatal care (vitamins, gestational diabetes testing, Rh incompatibility testing, STD testing)
- Childbirth (including any complications)
- Post-birth (breastfeeding equipment, birth control, etc.)

Once your baby arrives, make sure to contact your HR department to have them added to your plan. You must add your baby to your plan within 30 days of birth.¹

Parenthood deserves a 24/7 Mindful Advocate
Expectant and new moms may experience stress, anxiety, the baby blues or post-partum depression. A Mindful Advocate is here to support you. For help, call 833-302-MIND (6463) or the behavioral health number on your member ID card, or visit MindfulBlueKC.com to learn more.

Breast pump benefit
