FinalForms

We are excited to announce that Urbana City Schools has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign forms for your students. The most exciting news is that FinalForms saves data from year to year, meaning that you will never need to enter the same information twice! FinalForms also prepopulates information whenever possible, for each of your students, saving you time. You may review your data at any time to verify that it is current. You will be required to sign your forms once per year and after any update. Emails have been sent to all parents with your login information. We understand that you may have filled out a paper form at the beginning of the year, but all forms will need to be done within FinalForms as soon as possible. If you did not receive an email, or you have any questions, please contact the office at your child’s school. You may also contact Kelli Marsh - kelli.marsh@urbanacityschools.org for additional help.

House Mohawk Newsletter

Lots of preparations have been going on in House Mohawk to get ready for our December Door Decoration Competition and "Project Based Learning" (PBL) Night on December 8th from 6:00-7:30 PM at UJHS. We hope you can join us and see all of the great things we've been able to accomplish. Students have participated in groups focusing on our theme of "Home for the Holidays" and their work will all be on display in the 7th grade pod. Creations include door decorations, sleds, recipe books, decorated cookies, and holiday cards for local nursing homes. Our door decoration group has worked extra hard under the guidance of Mr. Bowdle and Mrs. Tirey, and we're excited to show off their exceptional work to the community.

We're also celebrating some great things in House Mohawk for academics such as 61 of our students being on the Honor Roll first quarter. We had 18 students on the Recognition List, 13 students on the Honor List, and 30 students on the Principal's List. We love seeing those high numbers! Students can earn House Mohawk even more points toward our end of year final House Cup rankings if they continue to increase their gpas and strive to improve during 2nd quarter. We have had a lot of amazing student tutors stepping up and volunteering to help their peers, so we know we've got a great chance of making gains if everyone does their part. As extra inspiration for our Mohawk students we've made a Mohawk Honor Roll Challenge for the 2nd quarter. If we increase our number to 70 students on the Honor Roll we'll buy a McDonalds treat for each of those Mohawk students on the Honor Roll.

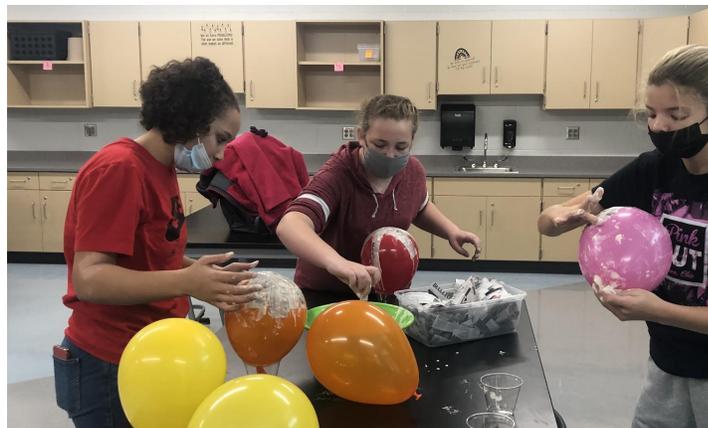

Mohawk also came in 2nd place during a hard fought kickball tournament, so a shout out to Mr. Souders and his awesome kickball squad for representing Mohawk well. Our next competition after Door Decoration will be dodgeball led by Mr. Tobias.

Mr. Tobias's group in the picture on the right is building and painting Christmas sleds as an addition to our door decoration competition. These sleds add to the "Home for the Holidays " door dec theme. You can see the door decoration group working hard to put together their competition door in the picture on the left.

House Gutridge Newsletter

As part of Urbana City Schools' progress to implement Project Based Learning (PBL), the Guttridge Grizzly's Door Decoration Team has been working hard these past few weeks to plan, draw, construct, paint, and assemble what appears to be an incredible likeness of a very special place to some as they return "Home for the Holidays," this year's door decoration theme. Other Grizzlies have been working on additional aspects of the project including: themed poster projects, a slide presentation, and the calculations behind the construction of the door decoration. We would love to see you all on December 8th from 6:00 to 7:30 P.M. for the presentation of our PBL, Home for the Holidays.

House Toll Run Newsletter

Every quarter, each house competes to earn points through academics, behavior and events. For the first quarter, Toll Run led all houses for top GPA and behavior. We have been busy with a kickball tournament, activities and door decoration for the holidays. Enjoy some of our activities and pictures.
