The UJHS Houses have been busy since December. We completed our Annual Door Decorating, and Gingerbread House competitions as well as a House Trivia Challenge. Toll Run students participated in some service projects to help organizations in the community and the school. Mohawk started a "Peers Helping Peers" tutoring program and found that those who participated improved their 3rd Quarter GPA. Mohawk, Gutridge, Toll Run, and Five Points are all getting ready to challenge each other in some fun Minute to Win It Games and look forward to seeing which House will be winning the House Cup at the end of the school year.
