Parent Access

During this period of Distance Learning, all parents are strongly encouraged to create and use a Parent Access Account to help keep track of student assignments and grades. Once your account is created, you can view grades as soon as they are entered by the teacher and can set an alert for missing assignments. A low marks alert can also be set for Junior High and High School students. If you have not yet created your account, please contact Kelli Marsh at kelli.marsh@urbanacityschools.org to obtain the registration key needed to activate your account. Help documents and a video tutorial on how to create your account can be found at <https://pa.woco-k12.org/>

Remind

Urbana City Schools uses the Remind program to communicate with parents and students. If you are not receiving Remind communications, please notify your child's teacher. You can also download the Remind app in your app store or login through www.remind.com. Through the website and the app, you can update your cell phone number, attach your children to your account and control your communication preferences. Please contact your child's teacher or kelli.marsh@urbanacityschools.org if you encounter any issues with your Remind account.
